DEDICATION

FOR: The Lord Jesus, the One who has fully equipped me

TO: His Body

Come, my beloved, let us go forth into the field; let us lodge in the villages.

The mandrakes give a smell, and at our gates are all manner of pleasant fruits, new and old, which I have laid up for thee, O my beloved.

Let us get up early to the vineyards; let us see if the vine flourish, whether the tender grape appear, and the pomegranates bud forth: there will I give thee my loves. (Song Of Solomon 7:11-13).

Many waters cannot quench love, neither can the floods drown it: ***IF A MAN WOULD GIVE ALL THE SUBSTANCE OF HIS HOUSE FOR LOVE, THE WOMAN WOULD BE PRONOUNCED GUILTY FOR THE PURPOSE OF PERFECTING HER*** (Song Of Solomon 8:7).

HABAKKUK, CHAPTER 2

2.14 YKVK's Mind shall satisfy mortal man [the earth] with knowledge [instead of pain and pleasure], when Elohim's sons ascend to the double portion of the 10th level of consciousness, [where Leviathan is continuously sacrificed in] the Lake of Fire that is concealed [within them].

HOSEA, CHAPTER 1

[510]

1.01 King [Adam], YKVK's Word, appeared within Hosea, the offspring of the world below, and fortified him, and King [Adam] liberated Hosea from Leviathan's pride, and [Elohim liberated Hosea from] Satan's sowing and reaping judgment, and Hosea became a mortal man completed by [Adam and Elohim], YKVK's strength,

1.02 And [Adam], YKVK's Word, said to Hosea, start mingling [my seed] with the adulterous woman [that is pregnant with] Adam's sons, [and be] a wedge [between the fiery serpent and Leviathan within them, and] move them towards YKVK, because Satan has greatly stimulated these adulterous personalities that belong to YKVK, to idolize her,

1.03 So [Hosea] mingled [King Adam, YKVK's] male germ seed, with the fiery serpent, [the spiritual sexual part of the personalities], and [the personalities] bare [Elohim's] male children, [and King Adam] completed them,

1.04a And YKVK said to [Adam within the personalities that bare the manchild], invite [all of Israel to be] sown with the seed of the Almighty's nature, because

1.05 [Adam], the timeline [that judges] Israel's sin nature, is about to burst forth [from] the carnal minds that are sown with the seed of the Almighty, and [Elijah], the archer, shall appear [to Israel],

1.04b And I will hurt [Satan], the [spiritual] blood [that] opposes [Elohim, and] those who are sown with the seed of the Almighty, shall braid together with King [Adam] and, a little while [after that], the House of Israel shall cease from the spiritual labor [of driving Satan underfoot],

1.06a But [despite these great promises], the pregnancy of the fiery serpent's [within] the personalities [of the House of Israel] continued, and the [personalities that] had a spirit tie with [Elohim] bare Satan's unclean [spiritually female] offspring,

So Adam said to the [personalities of Israel] who belong to Him because they have [YKVK's] nature, the fiery serpent is about to increase even more, [so] invite [the personalities that have] a spirit tie with me [to receive my nature],

1.7a Because the household [of Elijah], the archer [that judges Israel's sin nature], shall wage war against the personalities [of Israel],

1.08 To reveal [that] they are nailed to Satan, [and] have her evil [nature], and have conceived [her bestial offspring, while they] had a spirit tie with [Elohim],

1.7b [But] Adam, the head of the personalities who are nailed to him [and] have a spirit tie with Elohim, the circumcising knife of the House of Judah, shall save the manchild [that they are also pregnant with, from] Leviathan,

1.6b And [the personalities] of the house of Israel that belong to me shall ascend [into the righteous timeline, and] marry [Elijah].

1.09 Then Adam invited the serpent's people [to receive] his nature, saying, indeed you are the serpent's people, and do not belong to I Am,

1.10 [But] the children of Israel shall be gathered into their throat (5th) [and then into their] brow (6th) energy centers, [and from there the Spirit of Elijah] shall engrave Leviathan and Satan, the sea that covers [the right side of the heart center, with YKVK's nature], and it shall come to pass that Elijah shall say of the same people [that] Elijah [previously] told, "you are Satan's people," "these [are] the sons of the living God."

1.11 Then [the regenerated Adam], the male offspring of Judah and Israel, shall be gathered together [with the personalities that bare them], and [the regenerated Adam] shall marry the [fiery serpents, and

bring them] under [the authority of Elijah], His captain [who is] united [with YKVK], and, the [holy] seed sown by [the regenerated Adam], that great timeline of the Almighty, shall ascend from under the earth [of mortal humanity].

HOSEA, CHAPTER 10

10.11 The Woman shall be cultivated, tamed and prepared to give birth to Adam; Elijah shall cut deeply into her, turn out the rich soil from deep within her, and plant the seed which shall produce Adam; Elijah will set a rider [Adam] upon the Wild Animal; and she shall be tamed, and shall love preparing grain [Adam] to feed the people, which is the work the Lord has called her to do.

ISAIAH, CHAPTER 2

[457.6]

Prophecy of Humanity's Deliverance

2.01 Isaiah perceives the speech of the Gospel of Peace because he is saved by [King Adam], YKVK's strong Son,

2.02 And [says that] at the end of the age, [Elijah], the head of the [higher] energy centers, shall stand upright, and [Adam], the mountain [within Elohim's] household, shall be supported, and it shall come to pass that [King Adam] shall beam into the lower energy centers of all the [non-Hebrew] peoples [of the world],

2.03 And [the thoughts of] King Adam shall vibrate within

the tribes, saying, let us die to our lifestyle, and [let the 12 tribes of] Jacob teach us about YKVK's moral character and lifestyle, and seed our heart center with [Elohim's life], and let [the fiery serpent] shoot forth into Elohim's household, and climb up into YKVK's 6th energy center, and circumvent [Ashtaroth], and let [Elohim's spiritual] Law, and the speech of [Elohim's] Gospel of Peace, go forth from our parched, higher energy centers, and we shall live according to [YKVK's] lifestyle,

2.04 And King Adam shall convince the tribes [of Elijah's Doctrine], and they shall violently crush their carnal minds [and their human spirit shall be reformed] into [Adam], the one who is near [to Elijah], and the fiery serpent shall be lifted up within the non-Jewish nations, and [the Spirit of Elijah] shall war against Satan [their unconscious mind], and [King Adam] shall besiege the carnal mind of the non-Jewish nations continually, and King Adam shall govern among the [non-Jewish] nations [also],

YKVK Calls Jacob's 12 Tribes

2.05 May the house[hold] of Jacob's [12 tribes] die to their [ungodly] lifestyle, and live the lifestyle of YKVK's Spirit,

YKVK Satisfied The 12 Tribes Of Jacob - But Now Leviathan . . .

2.07 The Spirit of Elijah completed their nature, nailed it [to the brow center], saved their personality, and [provided] an endless storehouse of food and spiritual weapons; and the nailed nature of [King Adam], the eagle/mind of their personality, defended them against their enemies, and there were no borders around their spiritual bodies.

2.08 [But now], Leviathan and the fiery serpent complete their nature, nail it [to the brow center of the counterfeit timeline], and satisfy their personality, and [the 12 tribes of Jacob] bow down to [Ashtaroth], the evil idols that [Leviathan and the fiery serpent] produce,

2.09 And Adam is prostrated and brought down to mortal man, so that the Primordial Serpent can exalt herself,

Prophesy Of Corrective Judgment

2.06 Therefore you have cast off your people, the house of Jacob, [who] you, the Eternal One, satisfied, because they vomited forth [Satan], the spirit of the Philistines, and the [carnal mind, that] adulterous harlot, and their sorcery clouded over [Elohim's] children,

2.10 [And] they cover over Abel and attack the Spirit of Elijah, because they dread the personalities of [Adam], YKVK's majestic thought form,

Prophesy of Deliverance - King Adam Resurrected In Spiritual Israel

2.11 [But] King Adam shall humble the visible spiritual world of pride, and the elevated [fiery serpent in mortal] man shall sink down, and YKVK's timeline shall be made strong, and separate [from the carnal mind],

2.13 And all of Elohim's Sons who steadfastly pursue their goal, shall be lifted up [into the brow center] and endure despite all of Leviathan's mighty strong men

2.12 Because [King Adam], YKVK's warrior timeline, shall be higher than [Leviathan], the whole arrogant one who breeds worms, and all of [the fiery serpents] who are ascended shall sink down,

2.14a And all [of Elohim's Sons] shall rise into the brow [6th] energy center, [of the true timeline, which is]

2.15a Beyond [Leviathan's] collective timeline, which is the ascended tower [of Babel],

2.16 And above the whole fleet of the thought forms [produced by the Serpent's] desire, [which float] above all of the subjected heart centers,

Adam Defeats The Kingdom Of Darkness

2.15b And [the Fortified Adam] shall join with every [fiery serpent which is an] inaccessible fortified city [because she is joined to Leviathan],

2.14b And he shall forgive the sins of the many [sons who are married to Leviathan], and help them to rise into the [liberated] heart center,

2.17 And Satan, that haughty] ascended one [who] cast Adam down in the [spiritually] male mortal men [of Judah], shall be humiliated, and YKVK, [who is] too high to be captured, shall separate [Adam] from Leviathan, the mind of [the Primordial Serpent's] timeline, [who is married to] the fiery serpent,

2.18 And [Elohim's Sons] shall offer their Old Man as a burnt sacrifice, and pass his nature through [the lake of fire], and they shall be changed.

Ministry of the Regenerated Sons Prophesied

2.19 And Elohim's sons shall enter into the [black] holes [of humanity] and blind the [third] eye of [Ashtaroth], and [Abel], the dust, shall pierce through [Ashtaroth], the personality of [Satan's] waters, and [King Adam's] majestic household shall rise and speak [through] the filter of the personalities of the earth, and they shall dread [King Adam], the splendid [thought form, who is] nailed to YKVK's waters.

2.20 The household of [YKVK's] timeline shall cast [down] the personalities [of] Adam, [YKVK's thought form, who became] Ashtaroth, the counterfeit savior, and [the household of YKVK's timeline

shall cast down] the human spir-
its [who] Ashtaroth acquired for
the purpose of [becoming] the
[vampire] bat who prostrates
[the personalities] who pierce
into the left side of the heart center,

2.21 [The Spirit of Elijah]
shall vibrate/speak [into] the
window of the earth, and [Adam,
YKVK's] splendid thought form
shall stand up, [and endure], and
the fiery serpent, the spiritual
virginity of the personalities of
[King Adam], YKVK's majestic
thought form, shall enter into
the hole in the wall [between the
left and right side of your heart
center], and into your [brow en-
ergy center], the subdivision of
[the 7th energy center, which is]
YKVK's fortress,

YKVK's Warning & Invitation To Regenerate

2.22 [Wherefore], forsake
your [adulterous marriage with
Satan and Leviathan], because
Elohim is [about] to braid to-
gether with Adam, the breath of
His own nostrils.

ISAIAH, CHAPTER 4

[368.1]

4.01 Cain and Abel shall
bind themselves together as one
[spiritual] age saying, we will
eat Elijah's Word and submit to
Adam's authority, only give us
the power to choose the higher
nature which will make us a
spiritual man.

ISAIAH, CHAPTER 6

[429]

6.01 I saw [Michael],
YKVK's strength, resurrect
Adam, [Elohim's] time line, in
[Isaiah], and complete him, and
[Adam] married [Michael], the
authority figure, and [Isaiah's]
carnal mind died, but [Adam,
Elohim's spiritual] city endured,

6.02 And [Adam], the sec-
ond [in command], united with
[Michael in his] brow [6th] center,
[and Adam], the second [in
command], covered [Isaiah's]
personality, and his carnal mind,
and the seraphims appeared
within [Isaiah, and Adam], the
second [in command, gathered
Isaiah] into the brow [6th] center,
which is above [the visible
world],

6.03 And [Adam] said to
[Satan and Leviathan, Isaiah's
spirit is] holy, [his mind is]
holy, [and his personality is]
holy, [because King Adam is]
filling the whole earth of
YKVK's armies with His glory,

6.04a And [Michael, the
light] wave that summons
[Elohim's breath] from the in-
ward part of [the Serpent's]
house[hold] sounded, and the
doorkeeper [who snatched
Elohim's sons]^R was seized with
terror, and [Michael, YKVK's
light wave], completed the spir-
its that ascended [out of their
carnal mind],

^RJonah 2:6c(AT)

6.05 And Isaiah said, [Sa-
tan] swallowed up [Elohim's
Spirit in Israel] and [Leviathan]

violated I Am's virgin [sons],
and, woe is me, my [righteous]
mind is perishing because [Sa-
tan] swallowed up [Elohim's
Spirit, and Leviathan violated]
the virgin [fiery serpent. So,
Adam], the King of YKVK's
armies, judged [the people of
Israel] to reveal the envy
[within them], and I Am bi-
sected [the fiery serpent from
Leviathan in] the people that
[Leviathan] violated.

6.06a Then [Adam,] the
male side of the seraphims, took
me, [Isaiah, as His] house[hold],
and [as] we ascended] toward
[YKVK's spiritual] altar,

6.07a [King Adam] laid
upon [the fiery serpent, the spiri-
tual sexual part of my personal-
ity] saying, look, I have stricken
[down Satan and Leviathan] and
pardoned your sin[-filled person-
ality],

6.06b [And King Adam]
Infolded [Isaiah's fiery serpent]

6.04b And completed her,

6.07b And [Isaiah's] de-
praved [mortal] mind departed
[from him].

6.06c And [Isaiah, Adam's]
house[hold], shined forth to-
wards [Michael, Elohim's light]
wave.

ISAIAH, CHAPTER 7

[42.14]

7.14 Therefore, the Lord
shall give Himself to you as a
sign; Behold a virgin shall con-
ceive and bear a Son, and He
shall be called, ***God in the midst
of us***, and [this is how] YKVK
shall dwell together with the

Wild Animal.

ISAIAH, CHAPTER 9

[313.16]

9.04 You have brought the
first incarnation of the Serpent,
Cain, who is now the uncon-
scious mind of the second gener-
ation of mortal men, into sub-
mission.

9.10 We are destroyed
because we died when we fell,
but when we live again, we shall
be incorruptible.

ISAIAH, CHAPTER 11

[35.2]

11.01 And Adam shall ap-
pear [again] in his own dead
flesh, and a new generation re-
vealing YKVK's life in the Wild
Animal, shall sprout forth from
the Abel.

[36.5]

11.02 And YKVK's Spirit
shall rest upon Adam, [in which
is] wisdom, understanding,
counsel, might, knowledge, and
a reverence for YKVK . . .

[35.2]

11.03 And He shall live His
very life in a spiritual and mental
state of reverence for YKVK,
when YKVK's seven[fold] spirit
shall abide within Him; and He
shall not determine who is guilty
or innocent in this visible, phys-
ical world by what He sees with
His mortal eyes; nor shall He
hear evidence and pronounce
sentence upon sin, as a result of
what He hears with His mortal
ears:

11.04 But He shall deter-
mine who is guilty and who is

innocent in this visible, physical world by YKVK's righteous Spirit, and He shall hear evidence and pronounce judgment^R without emotion, for those whose emotions are underfoot: and Adam shall pour out judgment upon the visible, physical world by the spoken word, and the Spirit of Elohim shall slay the Dragon who is in the sea of the Wild Animal's unconscious mind.

^RZeph.2:3(AT)

11.05 And YKVK's righteousness shall protect Adam from responding to Leviathan's emotions, which compel us to sin, and Elijah's faithfulness shall keep Adam from fornicating with him.

[313.11]

11.08 The Spirit of Heaven [Elohim] shall overspread the Spirit of Cain, and Elijah shall overspread Leviathan, and Elohim's Sons shall direct Leviathan and the many-membered Devil he is appearing in, to the light [Elohim].

ISAIAH, CHAPTER 13

[365.1]

13.10 Leviathan is raging^R [against] Abel because [of his weakened condition], [but] the Image of Heaven [Elijah] shall cover over the Image of Hell [Leviathan], when Adam springs forth in Leviathan's members.

^RPs.2:1

ISAIAH, CHAPTER 14

[31]

14.03 And when YKVK enables you to stop producing demons in your mind, and delivers you from the fear, powerlessness and trouble which prevails in the visible, physical world, and the witchcraft through which some men try to make themselves strong, and from all of the labor required to survive in this visible, physical world, not the least of which is the spiritual labor necessary to keep Leviathan under foot as much as possible.

14.04 The people shall talk about the King of Babylon [Leviathan] everywhere, saying how YKVK brought that tyrant into submission, and stopped her from forcibly wrenching YKVK's life out of the people.

14.05 YKVK has destroyed the power of Leviathan, the one who used to have dominion over the people of the earth, and the power of his flesh tribe, which is appearing in the visible, physical world, as a company of fallen, mortal men.^R

^RZeph.2:5(AT)

14.06 [This] Leviathan, the one who causes the people to pierce through into the visible, physical world, where their haughtiness and pride continually subject them to YKVK's judgments, took possession of the nations after they passed over into the visible, physical world, and exercised absolute ownership over them, but failed

to preserve himself.

14.07 The whole earth is free from YKVK's troublesome and calamitous judgments, and has attained to that place of evenness in their mind, which is free from the tyranny of their emotions.

14.08 The spiritually mature males which Hell has finally produced in the visible, physical world, who are in the process of increasing from Adam, the one who was separated from YKVK and Elohim at the time of the fall, and, also, from Abel (see, *Note # 21*), into Adam, Elijah [the life-giving Spirit], and [has] received an incorruptible body, are saying: Since Adam subdued Leviathan and put him under His authority, no spiritual power has dared to try to bring us down to the bestial spiritual condition where they can rule us, and express their lusts through us.

14.09 The place where those separated from YKVK exist, is liberated from your tyranny; Elohim's Sons vibrate forth and come face to face with you as they enter into the spiritual part of this visible, physical world, and equal it [in spiritual strength]. They have been exercised sufficiently, so that now they are appearing in a position of spiritual maturity and power whereby they are strong enough to overcome and rule the flesh surrounding them; and they shall vibrate forth from their carnal minds, stand up, and rule from within and from without, their

flesh.

14.10 And Elohim's Sons shall speak words of power with their newly acquired spiritual authority, and the Living Beast will respond, and Leviathan will be subdued and placed under their feet; and it shall be revealed to the world that the proverb is true: Leviathan has become as weak as they.

14.11 The spiritual splendor that YKVK gave you at the beginning has flowed downward under the earth, and formed the subterranean world of the dead; each of your individual members moan and mourn because of their captivity inside sacs of skin. They try to restore themselves to glory by exercising their previously enjoyed power of [creative] speech, but only a great noise, or powerless hum comes out of their mouth.

You have Elohim's Sons down to hades, a place of spiritual weakness, where you lie in a bed of garbage and putrefying filth that contains your spiritual life in a flesh sac, and acts like fertilizer for your rapidly reproducing, voracious offspring.

14.1 How you have descended spiritually, you in whom the brilliant shining of YKVK's Spirit dwelt; you who were the first ray of what was to be a whole family which would reveal YKVK; how you are stripped of your spiritual authority and were broken into many earthen vessels; you who caused the family of Elohim's flesh to fall into a condition of spiritual

weakness, decay and death in their spiritual and physical bodies,

14.13 Because you have boasted within yourself, I will become a spiritual man without submitting to Elohim's dominion,^R and I will do it by bringing the rightful heirs, Elohim's spiritual Sons, into submission to the place where I am king; I will overshadow and inhabit the nation which is betrothed to Elijah, within the fertile parts of that hidden place, hades, which is my carnal mind.

^RMicah 2:11(AT); Matt.4:2(AT)

14.14 I will ascend higher than Adam, the one who rules over the personalities of men; I will be like Elohim, the most high

14.15 Nevertheless, despite your boasting, you shall not ascend at all, but you shall be brought down to that hidden place under the earth, the world of death; and you shall become the womb of the earth, and the amniotic sac that supports the uterine spiritual life of God's offspring, until it's mature enough to live without you.

14.16 Those who see you shall look you over carefully and analytically, discern you, and separate themselves from you in their minds; [Cain] is the man of the Earth, whose position is changing from a tyrant, to a woman who is laboring to bring forth the bodies and personalities which Adam shall appear in.

14.17 He who made the whole fertile earth, which was

inhabited by YKVK, change into a lifeless desert, because he yielded to the whisper of the Serpent, who was in the rubbish of the earth before it was formed into the many members of humanity; and destroyed all of the individual members of the Wild Animal, his descendants, when, because of his lawless state of being, he refused to prepare those who fell into hell with him to receive Elohim's spiritual seed, so that they could be reformed in the image of God.

14.18 The whole Devil, and the whole Wild Animal within her, rest in their minds, each one in that individual place where he has passed the long hours of spiritual darkness which exist in the night [Earth], because Adam has finally been born and ascended to a place of dominion and rule.

14.19 But you Satan, the spirit who rules the Wild Animal, are thrown out of Leviathan, the husband of those who have died to Elohim's life, like your hated son, who was pierced by your sword, and Elohim's Sons down and become the prison house of the dead;^{R-1} where Abel is buried deep beneath the earth, like a corpse trodden under.^{R-2}

14.20 You won't be joined to them in their sepulchers, or rule them any longer, because you have destroyed their bodies and their personalities with sin.

May the offspring of the one who has been broken by Elohim be unrecognized by YKVK forever.

14.21 Prepare to slaughter his children because of their father's iniquity; see to it that they don't receive personalities or inhabit a body, or multiply across the face of the earth.

14.22 I will become their enemy saith YKVK, and cut off the spirit, mind and body of mortal man's existence.

14.23 I will cause Babylon to be occupied by militarily defended minds and unclean spirits: And then after that, I will sweep away the frailty of the natural man with my instrument of destruction.

[313.10]

14.29 Let all the inhabitants of Palestine rejoice because, although the Serpent is incarnating as a many-membered, completely evil generation [children of Belial], the carnal mind which was formed after the Serpent's spiritual power crucified Adam, is being broken in pieces, and the Serpent's [ultimate] generation shall, nevertheless, be a many-membered, redeemed serpent which shall surround the throne of God.^R

ISAIAH, CHAPTER 22

[299]

22.1a Thus says YKVK to [Israel], His backsliding wife:

22.2a Satan has triumphantly pierced through Adam,

22.3a And bound you to-

gether with [Leviathan]. All of you are taken as prisoners of war, and your collective strength is completely broken, because you have turned away from Adam, and put him to flight.

22.2b Your mind is filled with animalistic, noisy restlessness, because [Satan] has mortally wounded you, and [Adam, your righteous mind],^R has died.

^RRev.13:5-6(AT); Rom.8:6

22.1b But how did Satan manage to sacrifice Adam, the [righteous] mind of Elohim's elected Sons, who were publicly judging the people?

22.8a She was able to do it because, in the day that Judah's sins were uncovered,

22.11a Satan let Leviathan out from underneath Adam's authority,

22.8b And [the sons of Judah] looked to Leviathan for protection [instead of Adam], because Leviathan [in the sons of Judah] despises Adam,

22.11b And [Leviathan sacrificed Adam], and the Satan respected her sacrifice,

22.10a And [Adam], the altar that was formed when Elohim joined Himself to Abel [and raised him from the dead in the sons of Judah], was broken down,

22.06a And the true, hostile nature [of the sons of Judah] was revealed, and [the sons of Judah became Cain, again], the Woman,^R [who] shook her fist at Abel, the one that YKVK imputed male authority to, and [Satan], the thief

^RJob 41:13(AT)
22.10b Who is the background threads [of the sons of Judah], wove herself through [their righteous] mind,

22.9a And this is how [Satan]

22.06b Plucked up Adam,

22.10b And sealed [the sons of Judah] with the Dragon's nature,

22.9b And separated Judah from Elohim.

22.04 Therefore, I will not cease from taking vengeance on Leviathan^R

^RIs. 40:1-2(AT)
22.9c Until Satan [and Leviathan, humanity's] mortal foundation, is gathered together [with Elijah], and increases into [righteous] Adam,

22.4b So that the many members of fallen humanity may, once again, be righteous, says YKVK.

Therefore, let the waters of Satan's sea be boiled and evaporate, and let Abel smear together with Elijah,^R

^RJob 7:19d(AT)
22.12a And in the day that YKVK, the Lord of battle, calls mourning humanity unto Himself,

22.05 Adam shall destroy the deformed personalities that the Dragon fashions [out of my spiritual substance], which are expressing Cain's confused, irregular state of mind, which covers [Abel's] awareness of his true existence, surroundings and feelings, with sensual pleasure,

22.12b But Elijah is drying

up Satan, and Adam is treading down Leviathan, and liberating Abel, [who] is plucking up Cain and covering [her],

22.13 And you will experience spiritual joy, peace and contentment, only when [Elijah] swallows up Satan and Leviathan dies.

[So]. there it is, the whole plan of salvation, the crucifixion of Abel, the castration of Leviathan, and the swallowing up of Satan.
[36.6/2]

22.15 [And this is why] YKVK, the God of Battle, says to His prophet, Isaiah, my familiar friend, go to [the sons of Judah],^R who are poor, needy and endangered, but don't know it, who are still in their youth, and who, in their present stage of development, are ruling over the Living Beast that I made [which has become a Wild Animal], and say,

^RMatt.26:49-50
22.16 What do you think you've done here, and who do you think you are? Do you think that you're the one who formed the Wild Animal that you're living in? Do you think that you're the one who can form a mind from a high position of authority in the Kingdom of God? Who do you think you are, engraving the Dragon's nature on the spirit that I've given to you, and [and allowing Leviathan] to possess the personalities that I've made to be a place of rest for myself?

22.17 Look, YKVK will execute a powerful judgment

upon you; He shall separate you from Himself, and you shall be mortal men, and [this separation] shall surely destroy your [immortal] spiritual life,

22.18 And He shall roll you up into an abundant mass, and make you a powerful, mortal Beast; but you shall separate [yourself] from Abel [also], and die [to your righteous, mortal existence]; and the reproductive organs [minds] of the mortal Beast, which are [alive, because they are] joined to Abel, shall die also.

22.1 Because I will expel you from your defended military position,^{R-1} and drag you down from the high places you have established for yourself with the unearned [life-giving] spiritual power that I have given you.^{R-2}

^{R-1}Dan.7:22(AT) ^{R-2}Dan.7:26(AT)
22.20 And at the appointed time, after your unearned [life-giving] spiritual authority has been torn down, I shall send my Servant, Elijah,^{R-1} whose name means, *YKVK's portion of land*, and reveal [him] to you, and He shall raise my son [Adam, from the dead], and restore his immortality,

^{R-1}Dan.7:24(AT) ^{R-2}Matt.19:28

^RDan.7:27(AT)
22.23 And I, [YKVK], will save the Wild Animal from death by fastening (crucifixion) her to [King Adam], and securing (marriage) her to [King Adam's] firm, unshakable foundation, from which she can prosper and live;^R and the addition of [King Adam's] life to the Wild Animal shall make her an abundantly rich and glorified Living Beast, lacking nothing, and a member of Elohim's family.

^RDan.7:14(AT)
22.24 And the many members of the Living Beast shall attribute all of the honor they have received as members of

Elohim's family, to the Living Beast, that is, [Elohim's] spiritual descendants (Sons), and males that shall be born alive during the time of [King Adam's] dominion; and the vessels of lesser importance, the personalities that Adam's mind will purify, and the skins of the personalities that keep mortal life from pouring out,^R shall honor [King Adam] also,

^RJoel 22:28-29

22.25 [And] in that day, says YKVK to His armies, when all of the foregoing has been accomplished, [when] King Adam is nailed to Abel and becomes a firm, unshakable foundation for the Wild Animal^{R-1} that gives her life, [Leviathan] shall be pulled back and stripped of her power, and become as useless a withered arm, and the job of mediator between YKVK and mortal man will cease to exist,^{R-2} because the Wild Animal will be so purified through her union with King Adam, that YKVK, Himself, will walk in the midst of her,^{R-3} because YKVK has said it.

8.6-7 I listened and heard Leviathan speaking [out of my people] and [he was] saying, what have I done [to deserve the judgments of God? -- I'm innocent!]. All of the carnal men are in their own joyful little world, as they are drawn into the battle without warning, but Abel recognizes the signal; nevertheless, Elohim's Sons are joyfully chattering and flying in circles [trying to] abstain from sin in their own strength, so that they can marry Elijah when the time comes, but [as a result of their failure to judge themselves] my people are experiencing YKVK's corrective judgments,

8.13 And Leviathan shall bring forth the Serpent's many-membered body [the children of Belial], but I will cause Leviathan to perish, and Adam to return to Michael; and the carnal minds [good/evil figs] which are produced by the Tree of the

Knowledge of Good and Evil, shall lose their strength and become foolish, and the [whole] mortal man shall lose his spiritual strength and become foolish; but I will give [myself] to the men in whom Abel overcomes Leviathan,

8.14 [Who are saying], why shall we sit idly by and do nothing while Abel is taken away from us? Let us pierce into our carnal minds and circumcise them off of Adam, because, when we have offered our carnal minds as a sin offering to Elohim and YKVK, He will close our [adulterous] mouths, make us eunuchs [again], and cause us to receive the life of His Spirit which is in Adam.

8.15 But even in those of us who did our very best, because we understood the nature of our mortal condition and what had to be done to raise Adam from the dead, only Leviathan was found. We tried to form a mind which produced emotional and physical healing but, there it was, the carnal mind.

breath of life, prior to incarnation. The words *Elohim's Sons*, signify Elohim's incarnated [male or female] children.

Adam's widowed spirit wailed loudly when the Serpent possessed him and incarnated as the mortal Woman, Cain, because they would be the consciousness of a mortal Wild Animal, unless Abel could rule over Cain.

The word *singular* [morning stars] signifies that life in Elohim's Spirit is not divided (1 Cor. 1:13). The words *all of* [Elohim's children] indicates that incarnation in the mortal, visible physical world is divided.

Strong's # 1121 [sons] can be translated *son, daughter, or children*;

41.20 And the personalities that are appearing in the clay womb of the Wild Animal, have minds which are proven insane, not legally responsible, and useless, when Adam appears,

41.18 And these [insane carnal minds] are the eyelid which is blinding Abel.

41.28a Now, Adam is the only one who can penetrate Leviathan's defended mind

41.31 And boil Satan as a sin offering,

41.11b So that Leviathan can be conquered, and Satan subjected, and the woman who belongs to Adam, converted into a submissive wife,

41.28b So that Abel can be

changed into

41.11a Adam, the one who should [be strong enough to] make the Serpent good,

41.31b So that the visible, spiritual world can rapidly spring up [in the same place where the visible physical world now exists],

41.25a But Leviathan is incarnating as a many-membered Wild Animal, and [the fiery serpent is] assembling [the nations] for her own evil purposes,

41.27 And Leviathan thinks that Elohim's Sons can be easily consumed, because the[y were given over to] Tree of the Knowledge of Good & Evil [Leviathan] for judgment,

41.25b When they all separated from the path of righteousness,

41.29a And Adam was circumcised, and Adam's widowed spirit was woven into [the background threads of the Wild Animal] (**see, Note # 180**),

41.33 And the Serpent's failure [to produce a many-membered man which is completely evil], resulted in Leviathan, a confused mind, that is stronger than Abel,

41.29b Which scorns the fierceness of the two-witness company,

41.34 Respects every haughty thing, and is king over the many-membered, magnificent Wild Animal that she is married to,

41.24a But her heart is as hard as stone,

iety, and depression spring forth from her mind, and stir up warlike passions in her emotions, which cause hostile words to issue out of her mouth, and she draws strength from complaining, stubbornness and other negative and disruptive behavior.

41.24b Indeed, crushing judgment is necessary to separate Adam's widowed spirit from Leviathan, the mind of the Wild Animal,

41.30 Because [Cain] seeks comfort from Leviathan instead of Elohim, since the Wild Animal was subjected to YKVK's judgment,

41.12a But Adam,

41.26a The mind that can lay hold of Adam's widowed spirit, who is woven together with Satan, and pull him out of her,

41.12b Shall be grafted to Adam's widowed spirit, and Elohim's nature shall be engraved upon him, and they shall be highly esteemed and very valuable, because their new man [Michael, Adam, and the personality they were born with], shall give them mastery over the Wild Animal they are joined to,

41.12c And they shall stand up with full spiritual authority [over the Serpent's kingdom].^R

YKVK Calls Jonah

1.01 Now, YKVK sent

Elijah to Jonah, who was of the race of Abel,¹⁸⁵ saying,

1.02 Arise into Adam, and go to Nineveh, that mighty foreign city, to invite the [men thereof] to ascend above the evil side of their personality,

1.03a So [Abel], YKVK's presence in Jonah, arose, and shot forth^R into [Satan's emotional] sea, and entered into the right side of Jonah's heart center, and [Adam], the parallelogram of YKVK's presence, swallowed up [Satan], and gathered [the fiery serpent into himself], and sacrificed her to [YKVK], and delivered [Jonah's emotional animal],^R

Leviathan Opposes Jonah

1.03b And Jonah went to speak YKVK's words to the [mortal men of] Nineveh, that defended, foreign city, where powerful, widowed angels freely access the Serpent's lower planes of existence,

²⁰⁴ The mortal men of Nineveh understood that Adam's confession of primary responsibility for the condition of fallen humanity, qualified them for redemption, as well as the Jews. (See, also, *Note # 206.*)

²⁰⁵ YKVK is restoring Adam's descendants to immortality, because Adam's spiritual remains, which is Elohim's breath, is appearing in humanity as the human spirit. Our part is to confess that, as Adam's descendants, we are responsible, by inheritance and by commission, for our fallen, mortal condition, which is the fruit of our sin nature.

Identification with Adam, and accepting responsibility for our present condition, qualifies us to be restored to immortality, but denial of responsibility for our present condition, disassociates us from Adam, and leaves us with no hope of resurrection. (See, also, *Note # 197.*)

²⁰⁹ Jonah learned from experience that he cannot ascend above Satan's authority and stay ascended without the help of the Spirit of Elijah [the Lord Jesus in the New Testament], who is above.

²¹⁰ The word *eagle* is rendered from Strong's # 7349, translated *merciful* in the The King James translation, which is derived from the root of Strong's # 7355. YKVK's answer to Jonah's plight, is to raise Adam from the dead and fortify him through union with the Spirit of Elijah. The eagle is the image of King Adam, Elohim's fortified, immortal mind.

4.05b And [King Adam] put [the fiery serpent who Jonah] belonged to, in [the correct moral] order,

4.05c And subjected [Jo-

nah, His] emotional animal (personality), to the point that she looked like Elohim's city,

And [King Adam] married [Jonah], his temporary tent, and Jonah went out of [Leviathan's] city and [entered into Elohim's] city, [which is] the eternal time line,

4.06c And [Jonah] was filled with joy.

JOSHUA, CHAPTER 2

[523]

2.01 [And Adam], the son of [YKVK], the Eternal One [within] Joshua, the [mortal man] that YKVK liberated from death, went forth from [the crown (7th) energy center], the plane of existence that is beyond time, to tread down [Leviathan], the moon/mind [of Joshua's spiritual kosmos, who is] second [in authority to the Primordial Serpent, who used] magical arts [to murder Adam, and King Adam], the spiritual male [within Joshua] said, I will go see [Leviathan, who] acquired the land/personalities [of Elohim's civilized man] for herself, and [King Adam within Joshua] went and entered into [the fiery serpent], the adulterous woman who expresses the nature of Rahab, the primeval Dragon, [and King Adam within Joshua] had spiritual sexual intercourse [with the fiery serpent, Leviathan's] house[hold, which was] there [in the midst of Joshua],

2.02 And Adam [within Joshua] challenged [Leviathan], the widowed king [who is] the

moon/mind [of Joshua's spiritual kosmos] saying, look, [Adam], the spiritual male [within Joshua], has entered into Leviathan's side of the [spiritual] waters [of] the children of Israel, to explore [the planes of existence within] the [spiritual] earth [of the personalities of the children of Israel],

2.03 And [King] Adam sent [a message to] the widowed king [Leviathan], the moon/mind [of the children of Israel], who is near to Rahab, the primeval Dragon, [and King Adam, the spiritual male within Joshua] said [to Leviathan], let all the earthen [personalities] escape [that King Adam], the spiritual male [within Joshua], entered into for the purpose of searching for [the fiery serpent, Leviathan's] widowed house[hold within the personalities of the children of Israel], and [for the purpose of] besieging [and] entering into [the fiery serpent, Leviathan's] widowed house[hold],

2.04 And [Joshua], the two-fold spiritual male [within Joshua], besieged [the fiery serpent who was nailed to Leviathan within the children of Israel], and [King Adam], the spiritual male [within Joshua], seized [the fiery serpent], the [spiritual] woman [within the children of Israel who is] nailed to Leviathan, [and Abel within the children of Israel] restrained [Cain, Abel's female side that is] nailed to Leviathan, [and King Adam within Joshua] said [to Abel within the children of Is-

rael, who is] near to [Adam within Joshua], stand upright, [and] Satan knew [what was happening],

2.05 And King Adam [within Joshua] appeared at the gate [of Leviathan's] widowed [timeline, and] carried [Abel within the children of Israel] out [of Leviathan's timeline, and King Adam, the spiritual male within Joshua], shut up the widowed, dark [side] of [the children of Israel, but when] Satan, the unconscious part of the carnal mind [of the children of Israel], realized that [Abel within the children of Israel] had departed [with Joshua], the [two-fold] spiritual male, [Satan] hastened to run after [the children of Israel], to lay hold of [Abel within them],

2.06 But [King Adam, who was in Joshua's] brow (6th) energy center, put [Abel, the one who] belongs to [King Adam, in] the right [moral] order [within the children of Israel, and Abel] ascended into [the left side of their heart (4th) energy center, and] restrained [Cain, who is] nailed to Leviathan, the wooden threads [of the Tree of the Knowledge Of Good & Evil, who is] against [King Adam, the Tree Of Life],

2.07 And [Cain, who] pursues the lifestyle of Satan, the unconscious part of [the carnal mind, and is] the gateway [for Satan], the river of death [within the children of Israel, surrendered, [and] Satan the unconscious part of [the carnal mind

²¹¹ Abel is not strong enough to overcome the Serpent's household. Judgment strengthens Abel and weakens the carnal mind.

within the children of Israel] departed [when Elohim, the Spirit of King Adam], the spiritual male [within Joshua], pursued Satan, the unconscious part [of the carnal mind within the children of Israel],

2.08 [And this is how Joshua] suspended the spiritual sexual connection [between the fiery serpent within the children of Israel and Leviathan, when King Adam] ascended into [Joshua's] brow (6th) energy center, [which is] above [the crown (7th) energy center of Leviathan's counterfeit timeline],

2.9a And [King Adam], the spiritual male [within Joshua] said [to the children of Israel],

2.10 As soon as [the children of Israel] heard

How YKVK dried up [Satan], the spiritual blood of [the fiery serpent], the red seaweed [side] of the personality, so that they could depart from spiritual Egypt, the crown (7th) energy center of Leviathan's timeline, and

What [King King Adam] did to [Leviathan, who is]

(1) The spiritual mud that swept away [Adam], the other, [righteous] side of [Jordan, the river of] death, [and]

(2) [The dream world presence of] Sihon, the Amorite king [who is conscious in] two [worlds],

And [as soon as the children of Israel] heard what King Adam did to] Og, the round, baked clay animal [called Cain, who] slew

[Abel, because YKVK consecrated Abel, and appointed Abel] to shut up [Satan's] anger,

2.9b [The children of Israel agreed to] cast down the idol [in the heart (4th) energy center that is] above, and [Satan] knows that [the fiery serpent who] inhabits the earthen personalities [of the children of Israel] is exhausted from resisting [the children of Israel, and] that Leviathan's marriage to the fiery serpent] is dissolving, [because] YKVK has given us [dominion over] the land [of your personalities],

2.11 And as soon as [the children of Israel] who were nailed to Leviathan, understood [that] YKVK [is] the supreme God [of all] the gods* in the throat (5th) energy center [of King The regenerated Adam' righteous timeline, which is] above the heart (4th) energy center [of Leviathan's counterfeit timeline], the Spirit [of Truth of Adam], the spiritual male, rose again [within the children of Israel, and] the Devil, the idol in the heart (4th) energy center of the personalities [of the children of Israel], dissolved,

2.12 [And the children of Israel said to Joshua], we have demonstrated [how] zealous [we are] to assemble ourselves into [the brow (6th) energy center of] the Father's house[hold], so complete [us] now, [and] give us the privilege [of] belonging to YKVK, [so that we might be] witnesses [to] the Truth,

2.13 [So that Elohim], our

Father may revive [Abel], our brothers, [and Cain], our sisters, [so that Adam], our mother, [will regenerate in] everyone who belongs to [Adam, and] defends [Cain, the female side of] the fiery serpent, against [Satan, the fiery serpent's] dead, spiritual blood,

2.14 And Adam, the spiritual male [within Joshua], answered [the children of Israel saying, your] whole personality [is in the world] underneath [Satan's sea, so] you [must] die to the fiery serpent's lifestyle, [if you want] to dominate the land [of your personalities, and, if you want to die to the fiery serpent's lifestyle], this Leviathan [who] stands boldly opposite our cause [of dying to the fiery serpent's lifestyle, must] be given over to YKVK, [so that] we can tell you the truth [about yourselves] with mercy.

JUDGES, CHAPTER 14 [473.2]

14.01 And [Adam in] Samson went down to the [lower] window and saw the woman in the [lower] window, [who was within] the daughters of the [spiritual] immigrants,

14.02 And ascended [into the upper window] and told [Leviathan, Samson's] widowed father and mother, I have seen the woman [within] the daughters of the [spiritual] immigrants in the lower window. I will fetch and infold her now,

14.03 Then [Satan, Samson's] father, and [Leviathan,

Samson's] mother, said to [Adam, the fiery serpent], Leviathan's female offspring is amongst our people, but you seek after the woman of the immigrants who has sealed them off [from YKVK], and [Adam in] Samson said to [Satan, Samson's] father, I will fetch and enfold [the woman] on behalf of the righteous world,

14.04 And [Satan, Samson's] father, and [Leviathan, Samson's] mother, [who are] the [Primordial] Serpent,^R perceived that, indeed, YKVK, Himself was desiring to have intercourse with the [spiritual] immigrants of the Serpent's timeline, because the [spiritual] immigrants of the Serpent's timeline, had dominion over Israel, which is Himself,

^R Rev. 12:9, 20:2

14.05 So [Adam in] Samson and [Satan, Samson's] father, and [Leviathan, Samson's] mother, descended into the lower window and encountered the thought forms of [the fiery serpents, Leviathan's] young ones, and perceived that they were speaking out [of the 5th energy center], and [Samson], who had the branch of the Tree of Life, entered into the [mortal men of Judah],

14.06 And the Spirit of YKVK pushed forth in [Samson], the young male goat, and stood boldly opposite [Satan, Samson's] father, [and] Adam, [Samson's righteous] subconscious mind, [stood boldly opposite Leviathan, Samson's] wid-

owed mother, and the fiery serpent divided from Leviathan, and from the powers [in Samson's energy centers], because of what [Adam, Samson's] other self, had done,

14.07 And [Adam] descended [into the lower window within Samson] and nailed [the fiery serpent], the [spiritual] woman, to himself, and arranged Samson's subconscious mind in the correct moral order,

14.08 But [when the Spirit of YKVK] returned to marry [Adam within Samson], He perceived that [Adam] was joined to a family of [spiritual] insects and their thought forms (demons), the powers [in Samson's energy centers], and [Adam] overthrew [Leviathan], the Serpent's timeline, and [Samson] escaped from [Satan's grasp, when the Spirit of YKVK returned to marry Adam],

14.09 And [the Spirit of YKVK] afflicted [Satan, Samson's] father [who is], the dog that belongs to [Leviathan], and overthrew her, and declared [the Gospel of Peace] to Samson, and [Adam, YKVK's] wisdom, tread down and subjugated [Leviathan, Samson's] mother, and consumed them, and [Abel, Samson's righteous] subconscious mind, tread down and subjugated [Cain], and [Adam] entered into [the fiery serpent], and consumed her, and [Samson] died to the [fiery serpent's] lifestyle, and became alive to [Adam's] lifestyle,

14.10 And [after Adam]

cast down [the fiery serpent] and put [Samson] in the right [moral] order, Samson [boiled Satan], his father, [and] prepared the woman [Leviathan], to be a feast for [Adam], the righteous young man within him,

14.11 And it came to pass that, when [Adam] enfolded the powers [which were inhabiting Samson's] third energy center, [Samson] saw [Elijah, the archer in Elohim's energy cloud (see, *Note # 77*),^{R-1} and [Samson, the personality, YKVK's] friend,^{R-2} began to ascend.

JUDGES, CHAPTER 15

[473]

Samson's Conversion

15.1a In the day that [Adam] judged Samson, the young male goat of [Astarte], the she-goat, [Adam in Samson] punished [the fiery serpent] his wife, saying, I will go into the chamber of my wife,

Adam Lives Through Samson And Declares That He Will Live Through All Of Judah

15.03 And Samson said, concerning the personalities of the spiritual immigrants [in Judah, I will turn them] against [Satan], the evil waters, [and put them] in [the righteous moral] order, because I [am] free from guilt,

Satan Opposes

Samson's Assignment

15.1b But [Satan], the [evil] waters of Leviathan, the father [of the mortal men of Judah], appeared, and would not permit [Adam in Samson] to go in [to the mortal men of Judah],

15.02 And [Satan], the father [of the group mind of the mortal men of Judah] said [to Samson], you are boasting proudly that you hate [Satan, and] hate [Leviathan], therefore I am giving the widowed fiery serpent [in the mortal men of Judah], the beloved bride [of Adam, your] friend, to [Leviathan, even though] the good side of the [fiery serpent], Leviathan's young [one in the world] underneath, is praying to belong to [Adam when] he appears,

The Spirit Of Elijah In Samson Vows To Punish Satan

15.07 [Then] the Spirit of Elijah said to [Satan], the unconscious part of the Primordial Serpent's timeline, concerning Samson['s ministry], since you have given [the fiery serpent in the mortal men of Judah to Leviathan], I will surely punish [you, Satan], and [the fiery serpent] shall become limp and unoccupied,

The Spirit Of Elijah In Samson Punishes Satan Adam In Samson Punishes Leviathan

15.8a And [the Spirit of Elijah in Samson] attacked [Satan], the spiritual energy of the other side [of the mortal men of

Judah], and [Adam in Samson] pursued [Leviathan in the mortal men of Judah, because she was] covering [the fiery serpent], the [spiritual] generative part [of the mortal men of Judah], from the neck [5th] energy center,

Leviathan & The Fiery Serpent Bisected In The Mortal Men Of Judah

15.04 And [the Spirit of Elijah in] Samson went and captured the brow [6th] energy center of the mortal men [of Judah, that] Satan was appearing in, and [Adam in Samson] captured the [heart] energy center [of] Leviathan's [timeline], and [Adam in Samson] lay upon the [heart] energy [center of the mortal men of Judah, which is] between [the Primordial Serpent's] two tails, and bisected [the fiery serpent], the tail that was added to [Leviathan], the Principal Tail, and turned [her back towards the root energy center],

Abel In The Mortal Men Of Judah Gathered Into Adam In Samson

15.5a And [the Spirit of Elijah in Samson] consumed [Satan], the brutish [spiritual blood of] the etheric bodies of the spiritual immigrants [in the mortal men of Judah], and Adam [in Samson] consumed the fiery [serpent in the lower] energy centers [of the mortal men of Judah], and [and the Spirit of Elijah gathered [Abel, Adam's] root system], together [with

Adam in Samson],

Adam In Samson Marries The Fiery Serpent In The Mortal Men Of Judah

15.8a And [Adam in Samson] married [the fiery serpent], the stronghold of the [lower energy centers of the mortal men of Judah], the lair of the [fiery serpent], the wild beast,

Abel Ascends Into The Heart Center

In The Mortal Men Of Judah

15.5b And [Abel] shot forth [from under the ground of the fiery serpent, Leviathan's] household [in the mortal men of Judah], and [Abel] stood up on [Adam's] foundation [Samson], and ascended into the [heart center of the mortal men of Judah], the garden [where] the Tree of Life [is],

Adam Ascends

In The Men Of Judah,

But The Men Of Judah Kill Him

15.09 And Adam ascended [in the mortal men of Judah, but the fiery serpents], the spiritual immigrants [in the mortal men of] Judah, besieged him, and Leviathan, the collective subconscious mind [of the mortal men of Judah], cast down [Adam in the mortal men of Judah],

**IMPUTED DELIVERANCE HAS FAILED
STAGE 2 - INSTRUCTION**

Adam Instructs Samson

15.11a And Adam said to Sam-

son, [a mortal] man of Judah, [I want you to] understand that we put you in order because Leviathan, the timeline of the spiritual immigrants, has dominion [over the mortal men of Judah],

15.12a And Adam said to Samson, the [personalities of the mortal men of Judah] belong to me, [so] swear with respect to them, that [you will bring] them to repentance, [so that they] can reach [Elohim's] timeline [which is] within themselves,

Adam In Samson Reasons With The Men Of Judah

15.10 And [the Spirit of Elijah and Adam], the mind nailed to Samson, a mortal man of Judah, said [to the other mortal men of Judah], why [do you think Adam] ascended within you? And [Satan and Leviathan], the [carnal] mind nailed to [the mortal men of Judah], answered [the Spirit of Elijah and Adam in Samson], he ascended to take us prisoner, and to do to us what we have done to him,

15.06 And Adam [in Samson] said to the spiritual immigrants [in the mortal men of Judah], YKVK has done this because the Spirit of Elijah, the one who recognizes the ascended fiery serpent, responded to Samson's call for help when Satan] captured [the fiery serpent, Adam's] widowed wife [in the mortal men of Judah], and gave her to [Leviathan for a] companion, and the Spirit of Elijah [in Samson] burnt Satan, and Leviathan, [their] father, with fire, and

Abel shot forth [from] the spiritual immigrants [in the mortal men of Judah],

Adam In Samson Explains To The Men Of Judah Why They Must Go Under Judgment And Die To The Fiery Serpent's Lifestyle

15.13a And Adam [in Samson] spoke [to the mortal men of Judah], saying, Satan, indeed, [was able] to imprison, harness, and deliver [Abel, your spiritual] phallus, to [Leviathan, therefore], you must die to the [lifestyle] of [the fiery serpent], the household of Leviathan, the [Principal] Fish,

Adam In Samson Tells The Mortal Men Of Judah That They Belong To Elijah & Adam

15.11b And [the Spirit of Elijah and] Adam [in Samson] said [to the mortal men of Judah], we are putting you in the right order with respect to [Samson], because you were made to belong to [us],

Adam In Samson Instructs The Mortal Men Of Judah Concerning Their Deliverance

15.12b And Adam [in Samson] instructed the mortal men of Judah] saying, I will cast down the widow[ed fiery serpent], the household of [Leviathan], and imprison [Cain] for the purpose of delivering [Abel], the widowed phallus of the spiritual immigrants, [from Leviathan],

Adam In Samson Delivers Abel In The Mortal Men Of Judah For The 2nd Time

15.14a And [Elijah], the righteous power [which is Elohim's] Spirit [from the energy centers] above, [attacked Satan in the mortal men of Judah], and Adam, [YKVK's stronghold from the energy centers] above [who has] YKVK's nature, attacked Leviathan,

15.11c And [the Spirit of Elijah in Samson] prostrated [Satan], the third part of the crown [7th] energy center [of the mortal men of Judah, and Adam in Samson], the stronghold of [the Spirit of Elijah], Elohim's energy [in Samson, consumed the fiery serpent], the wild beast in the root [1st] energy center [of the mortal men of Judah],

15.13b And Adam [in Samson] bound Cain, the foliage [of the earth, who is] interwoven with [the fiery serpent, and] second [to righteous Abel], their new [phallus],

15.14b [And] the spiritual immigrants shouted [with alarm as Abel's] harness melted, [and Abel] attacked [Cain, the foliage who is] interwoven with [the fiery serpent], and became [Adam], the phallus of the waters above,

15.13c [And] Adam ascended [in the mortal men of Judah],

15.14c [And Adam] consumed the fiery serpent, [Leviathan's] household,

15.15b And [Abel in the mortal men of Judah] laid hold

of the fiery serpent, [the spiritual sexual part] of the personalities of the [mortal] men [of Judah], and conquered [her], and [Adam], the phallus of the glorified Elijah, shot forth [in the mortal men of Judah],

15.15a And [this is how the Spirit of Elijah in Samson] acquired [Satan], the moisture of the crown [7th] energy center [of the mortal men of Judah, and how Adam in Samson] subjected Leviathan, [the Primordial Serpent's] timeline [in the mortal men of Judah],

Abel In The Mortal Men Of Judah Thirsts To Be Rejoined To The Waters/Energy Of Creation

Judgment Of The Personality The Only Way

15.18 And Abel [in the mortal men of Judah] thirsted for [Satan], the vehement [waters], and YKVK called toward Abel within [the mortal men of Judah], saying, [Adam in Samson], my [bond] servant [in] the window [where Adam], the diffraction grating of the visible world, is nailed to [Satan], the tooth [of Leviathan, the sea] serpent, has married the [fiery serpent], the household of [Leviathan], and, accordingly, [you, the personalities of the Primordial] ox, [must] now die to [the lifestyle of the fiery serpent, Leviathan's] haughty household, [and] to the household of [Satan], the waters of [Leviathan], the [sea] serpent that is nailed to [the personalities of the Primordial] ox, [so that

Abel], the phallus [who is] covered [by Adam in Samson, who] thirsts [for Elohim's waters, and the fiery serpent, his] household, can overthrow [Satan and Leviathan in yourselves, the mortal men of Judah],

INSTRUCTION INSUFFICIENT

SPIRIT OF ELIJAH AND ADAM IN SAMSON INTERFERE WITH SATAN'S PLANS BEFORE CAIN KILLS ABEL A 3RD TIME

Satan Threatens To Overflow Abel In The Mortal Men Of Judah

15.16 And [Adam] said to Samson, [Satan], the [foul waters] of Leviathan's window, is bubbling up and polluting the spiritually male personalities [of my household in] Leviathan's window, [so] I am sending judgment upon [Satan, the moisture of] the crown [7th] energy center of the spiritually male personalities [of the mortal] men [of Judah in Leviathan's window],

JUDGMENT

Spirit Of Elijah In Samson Separates The Human Spirit From Satan

15.19a And [the Spirit of Elijah in Samson] led [the human] spirit [of the mortal men of Judah] out from the [lower window of creation], the side [where Satan], the [spiritual] urine is, and [the Spirit of Elijah in Samson] swallowed up [Satan, the unconscious part of the carnal] mind [of the mortal men of Ju-

dah],

Cain Repents

15.19b [And] Adam, Elohim's household [in Samson], penetrated the fiery serpent, the womb that is nailed to Leviathan, [their collective subconscious mind], and [Cain, the foliage of the earth, who] is nailed [to the fiery serpent], repented, and] life was restored to Abel who was] nailed to [Cain in the wrong moral order],

Adam Appears

In The Mortal Men Of Judah

15.17a And [when] the Spirit of Elijah [in Samson, dried up Satan], the waters of Leviathan's window in the mortal men of Judah, Adam appeared [in the mortal men of Judah], and put [Leviathan] to flight, [and] cast down [the fiery serpent], and put [the mortal men of Judah] in [the right moral] order, and completed them, and] Adam, the phallus of the waters [above, who is] the head of [Abel], the hedge [around the fiery serpent], engraved the widowed [fiery serpent, the] subconscious mind [of the mortal men of Judah, with YKVK's] nature, and [Adam, the Tree of Life], stood up in their heart [4th] energy center, [which is the Garden of Eden],

Deliverance

From Leviathan's Nature

[And all this happened] because Leviathan's nature [had penetrated] as far as [Elohim's] timeline, so righteous [Adam]

invited [the mortal men of Judah to receive] the nature of [Elohim's] visible world,

15.20 And Adam, the spiritual age, governed [Cain], the household of [the fiery serpents], the spiritual immigrants [of Leviathan's] timeline in Israel.

JUDGES, CHAPTER 16

[475]

16.01 And Adam saw the adulterous woman [who lives] in the lair of the wild beast, and Adam attacked her, and Samson died to the fiery serpent's lifestyle,

16.02 And the fiery serpent [in Samson] said [to the mortal men of Judah], Adam is compassing Samson about, and now Samson will lay an ambush for all of the fiery serpents who have ascended into Leviathan's city, and attack them because [the Spirit of Elijah], the head of the neck [5th] energy center of the [upper] window, intends to silence Satan, and engrave all of the fiery serpents with the [nature of Elijah], the light[wave who] calls forth [Adam], the morning, and nail them to [the upper] window [of creation],

16.03 And Adam [within] Samson lay upon [the heart center of the mortal men of Judah] to the point that Adam became a hedge between Leviathan [and] the fiery serpents, her household, [and] Adam seized Leviathan, [Satan's] household [in] the neck energy center [who is the fiery serpent's] gateway to Pharaoh's city, [and] Adam [within Sam-

son], the captain of the neck energy center that [is] above, had spiritual intercourse with [the fiery serpents within the mortal men of Judah], and brought them out [of Leviathan's timeline, and] bolted [the door against the Primordial Serpent], the magician who cast a spell on Adam [in the garden, that resulted in his fall, so that she could] unite with Elohim's sons, [and] Adam [within Samson] joined the personalities [of the mortal men of Judah] to the neck energy center [which is above].

16.04 And it came to pass, that the Spirit of Elijah [in Samson], the valley where Satan was silenced, made love to the fiery serpent in [the mortal men of Judah, and the fiery serpent, the spiritual woman in the mortal men of Judah], who [was] miserable, disheartened and pining away, because of her weak and inadequate nature, [brought forth] Adam's [spiritual] man child,

16.05 But [as] Adam ascended [in the mortal men of Judah, Satan], the lord of the [fiery serpent], the spiritual immigrant [in the mortal men of Judah, whispered] towards [the mortal men of Judah], saying, Elohim [that is, Samson (see vs 10)] has deceived you into believing [that] Elohim can harness [Leviathan's] great strength and overcome her, because [Samson] wants the mortal men of Judah] to be his disciples, but we, [Satan and Leviathan], will give you the salvation [that] belongs to

the brow and crown energy centers [without submitting to a mortal man], if you will cast down [Adam, who is rising within you],

16.06 And Satan [spoke] to Samson [through] the spiritual woman who was miserable, disheartened and pining away because of her weak and inadequate nature, saying, please explain the source of Elohim's great strength to cast down, imprison [and] engrave the widow[ed fiery serpent that is ascended in the] circular [timeline that is] nailed to [the mortal men of Judah], Elohim's household, [and] imprison her, [and] engrave [her with YKVK's nature],

16.07 And Samson said to [the mortal men of Judah], if [Leviathan], the subconscious [part of the carnal mind of the mortal men of Judah], harnesses Adam within you, [the Spirit of Elijah], the remainder of [Elohim's] household, is strong enough to wound [Leviathan], dry Satan up, and renew Adam [within you, who will] bind [Leviathan, and] unite [with] the Spirit [of Elijah],

16.08 And Adam ascended into the [higher] energy centers [of Elohim's timeline within the mortal men of Judah], because [Adam, the Spirit of Elijah's] strong cords, imprisoned [Leviathan], the [counterfeit] timeline [which was] completing [the fiery serpents], the spiritual immigrants [within the mortal men of Judah, and because the Spirit

of Elijah], the part that remains [after Adam dies], dried Satan up,

16.09 And [the woman who is miserable, disheartened and pining away because of her weak and inadequate nature, that] was nailed to Satan, the [spirit in the lower] window, thought within her heart that she would ambush Samson and draw him away from the Spirit of Elijah, the part of himself that remains [after] Adam [dies, and place the fiery serpent], the spiritual immigrant, over [Samson, so that Satan], the spirit [nailed to] the [lower] window, and Leviathan [her] household, could have spiritual sexual intercourse with [the mortal men of Judah, Samson's] disciples,

16.10 So Satan, the engraver nailed to the spiritual woman who is miserable, disheartened and pining away because of her weak and inadequate nature, said to Samson, we see that you have subdued [Leviathan], the deceiving timeline [that is] nailed to [Satan], and put the fiery serpents in [the right moral] order, and have proven Satan, the engraver, to be a liar, [so] now, please explain why Satan, the engraver, should be yoked to Elohim [Samson, see, vs 5],

16.11 And Adam within [Samson] said [to Abel within] the mortal men of Judah], Satan [must be] afflicted [so that] Adam [within Samson can] be united [with the human] spirit [of the mortal men of Judah],

because your wife [Cain], the foliage [of the ground], has imprisoned [you, Abel, her head], and yoked [the human spirit of the mortal men of Judah] to Satan [and you, Abel, to the fiery serpent, the daughter of Leviathan, the Principal] fish, [who is] the timeline [that the Primordial Serpent] fashioned to employ [mortal humanity],

16.12 [But] Satan seized the spiritual woman who is miserable, disheartened and pining away because of her weak and inadequate nature, and harnessed [Adam, Elohim's] timeline [in the mortal men of Judah, and] intertwined [Adam's] manchild [in the mortal men of Judah], with [Cain], the foliage [of the ground, and] Satan commanded that the fiery serpents, the spiritual immigrants [in the mortal men of Judah], should be above Samson, the [personality] nailed to the [upper] window,

[And when Satan in the mortal men of Judah heard this, she] lay an ambush for [Adam, the Spirit of Elijah's] household [in Samson's] heart center, [but the Spirit of Elijah], Adam's linear spirit [in Samson's neck] (5th) energy center, separated from [Satan's spirilline] waters,

16.13 And Satan said to the spiritual woman who is miserable, disheartened and pining away because of her weak and inadequate nature, concerning Samson, [Samson] has deceived you all along, [saying that] he stands boldly opposite [Leviathan], and has subdued [her], and

has arranged [the fiery serpent] in [the correct moral] order, and [that Samson] lies to you with respect to Elohim, saying [that Elohim is] within [you, and that] if the fiery serpent braids [together with Leviathan, her] head, and [the Dragon] completes [her, the Tree of the Knowledge of Good & Evil] will sprout in the [lower] window again, [and] Leviathan will harness Adam [within you, the mortal men of Judah, and] Satan will engrave [you with her nature].

16.14 And Satan, the engraver nailed [to the lower window], thrust the [weaving] pin into [the mortal men of Judah, Samson's] household, [and] Satan, the one who engraves the fiery serpents [that she is] nailed to, boasted, saying, the spiritual immigrants [are] above Samson, [but Elijah] shined brightly [from Samson's neck, (5th) energy center, and] stirred up Adam [in Samson's heart (4th) center, and Adam within Samson, who is] near [to the mortal men of Judah], the warp [of the] loom, pulled [Satan], the [weaving] pin [in the lower] window, out [of the mortal men of Judah],

16.15 And Satan, the engraver nailed to the [lower] window, said [to the mortal men of Judah], how can [Samson] say [that] he loves the fiery serpent, [when he] deceives her, declaring at length [that] the fiery serpents and the personalities [of the mortal men of Judah] belong to [the Primordial Adam], the

great disciple that is nailed to Elohim, [and that the Spirit of Elijah], the engraver [in Samson], will nail [the fiery serpents and the personalities of the mortal men of Judah] to the other heart [center that is] near [to the Spirit of Elijah],

16.16 And King Adam appeared because Satan, the speech [of the Primordial Serpent's] household, was pressing upon the widowed personalities [of the mortal men of Judah], to kill [them by] cutting [them] off [from Adam],

16.17 But [Samson] stood boldly opposite [the mortal men of Judah, who] belonged to himself, and [Samson], their teacher, declared to everyone [where] Adam [was regenerated in his heart center, that] Elohim dedicated [them] to I [Am while they were in] the water [of their mother's womb, [but] if [they allowed] Satan to ascend above [Adam, their] head, [Satan] would steal their waters from above, [which is] their energy, [and their capacity to be Samson's] disciple would depart [from them], and it would come to pass [that Elijah], the Spirit that Adam nailed to all of [the mortal men of Judah], would deteriorate and become useless,

16.18 And Satan perceived that the spiritual woman who is miserable, disheartened and pinning away because of her weak and inadequate nature, belonged to the [upper] window [where] everyone was standing boldly opposite [Leviathan in their]

heart center,

[And] Satan vibrated forth to harvest [the fiery serpents in the mortal men of Judah off of Adam's vine, and] to re-engage [them with her own image, and] Satan castrated the widowed [fiery serpents], the spiritual Philistines, [and] commanded [them] to ascend [into Leviathan's timeline, and become Satan's] reflection, because [Adam, Elohim's righteous] Mind, [was] standing boldly opposite [Leviathan, and causing] everyone [who was standing in] their heart (4th) energy center, to ascend [into the timeline that is] near [to YKVK, and] to belong to [Adam],

[But King] Adam mounted up [against Leviathan], the lord of the [fiery serpents], the spiritual Philistines, [and] carried [the mortal men of Judah], the pale ones that are obedient to Leviathan and pine away for Satan, [into] the upper window, [and] the [fiery serpent], the subconscious part of [the carnal mind of the mortal men of Judah, became Adam's] household.

16.19 And Satan called to the widowed fiery serpent, [the other] self [of the mortal men of Judah], to steal the energy [of King Adam], the completed [Tree of Life], the head of [the mortal men of Judah, which] had sprouted again, because [Adam's] manchild was restricting Cain to the lower centers, [and] Leviathan began to dissolve Adam [in Samson], the

wedge [between] the widow[ed fiery serpent and Leviathan [in the mortal men of Judah, so that Cain] could pluck [Abel, Samson's] disciple [in the mortal men of Judah], away from [Adam in Samson, and] force [Abel] down under [Cain],

16.20 And Satan commanded [that the fiery serpents], the spiritual immigrants, [should be] above Samson, but King Adam stirred up the waters of the astral plane, and King Adam commanded [that the mortal men of Judah] the spiritual footsteps [that reflected YKVK's nature], should escape [from Leviathan and the fiery serpent], the household [of the Dragon] who speaks from the throat (5th) energy center, [but] the footsteps of [Leviathan and the fiery serpent, the mortal men who reflected Satan's nature], nailed [down] the personalities [of the mortal men of Judah, who] were nailed [to both Leviathan and Adam, because Satan] knew that YKVK would remove [the mortal men of Judah to a place of safety] beyond [Satan's] waters.

16.21 So, King Adam [within Samson] descended into the lower energy centers, the lair of [the fiery serpent], the wild beast, [and] King Adam [within Samson] seized the fiery serpents, the mental and spiritual qualities [of the mortal men of Judah], and King Adam harnessed [Leviathan, and] penetrated the [fiery serpents], the household of Leviathan, the [Principal] fish, and the fiery

serpents, [the subconscious part of the carnal mind of the mortal men of Judah], became concubines in the household of [King Adam, and the personalities of the mortal men of Judah] surrounded [King Adam] like a garment,

16.22 But [the union between Adam in the mortal men of Judah, and Adam in Samson], their head, loosened, [and] the [human] spirits [of the mortal men of Judah] were thrown into disorder, and [King Adam, the wedge between the fiery serpent and Leviathan], began to dissolve, [and] the widowed [fiery serpents married Leviathan, and the Tree] that steals the energy of Elijah, Adam's Spirit, sprouted again [in the heart (4th) center of the mortal men of Judah],

16.23 And [Satan], the lord of the fiery serpents, [and] Leviathan, carried away the widowed [mortal men of Judah, and] sacrificed [Abel], the widowed [Adam within the mortal men of Judah], to Dagon, the arrogant fish god, [and the mortal men of Judah] rejoiced [over] Samson gleefully, saying, Adam, Elohim's household [within the mortal men of Judah], is given over to [Leviathan], the subconscious part of their carnal mind, [and] Satan [is possessing] the flesh [of Adam's] ox,

16.24 And [when] Adam [in Samson] perceived that his people were saying [that] Elohim [within themselves] were given over to [Satan], the adver-

sary of their personalities, and [that Adam], the subconscious part of their mind [was given over] to the fiery serpent, the household of [Leviathan, Adam within Samson] pierced [Cain], the increase of [the Primordial Serpent], the earth [of the lower] window [within the mortal men of Judah, and the Spirit of Elijah within Samson] dried up [Satan within the mortal men of Judah], and [King Adam within Samson] shined [upon Adam within the mortal men of Judah],

16.25 And King Adam said [to the mortal men of Judah], is it a good thing [that] you declare to the widowed Samson [that you are] laughing at the impotence of Adam [within Samson] to saddle [the fiery serpent within you?]

[And this is how] Samson called to the widowed Adam [within the mortal men of Judah, and to] Abel, who was saddled [under] the [fiery] serpent, [Leviathan's] household within the mortal men of Judah, and King Adam [within Samson] gathered [Adam within the mortal men of Judah] together with [Adam within Samson, the one who] the widowed personalities had laughed at [and] declared to be impotent [to saddle the fiery serpent, and] Adam [within Samson] endured [in the power struggle] between [Adam and Leviathan in the two] neck [5th] energy centers [of the respective timelines within the mortal men of Judah, because of King Adam

within Samson],

16.26 And King Adam [within] Samson said to Adam, [the one] near [to him within the mortal men of Judah], cast down [the fiery serpent so that you, the mortal men of Judah] will perceive the neck (5th) energy center [which is] above, [and also perceive] Leviathan [in] the neck (5th) energy center of [the counterfeit timeline, who is] nailed to the erect [fiery serpent, Leviathan's] household within the mortal men of Judah, so that Adam's] ox, [the personalities of the mortal men of Judah], may be supported [by the neck (5th) energy center from] above,

16.27 Now, [the mortal men of Judah, Leviathan's] household nailed to the [lower] window, was filled with spiritual males, [and] all the fiery serpents [within the mortal men of Judah] were there, [and] the altar of [Satan], the lord of the [fiery serpents], the spiritual immigrants, was spread out above [Adam, and] the spiritual [insects in] the belly (3rd) energy center, [were ascended into] the crown (7th) energy center of the counterfeit timeline, and] the mortal men and women [of Judah] saw [their fiery serpents], the household [of Leviathan within them, who] laughed at Samson's inability to [saddle the fiery serpents within them],

16.28 And Adam [who was] nailed to Samson called out to YKVK saying, surely you will remember Elohim, YKVK, [and] fortify Elohim, your reflection,

[who] you nailed [to] the ox, [and] avenge [yourself by] inflicting a righteous penalty [upon Satan], the waters [who divided] the united [Tree of Life into] two [trees, so that she could form] the visible world [that reflects the fiery serpents], the spiritual immigrants,

16.29 And King Adam [who] was nailed to Samson, laid hold of the erect [fiery serpent], the household of Leviathan [who was] above [Adam within the mortal men of Judah, in] the neck (5th) energy center of the second [timeline] in the midst [of the mortal men of Judah], and [the Spirit of Elijah within Samson] took hold of Adam [within the mortal men of Judah, from] above, [and] united [with Adam, the] righteous subconscious part of the mind [of the mortal men of Judah, who is] the household of [Elijah, and Adam and the Spirit of Elijah] nailed to [Samson,] enveloped [Adam within the mortal men of Judah, and Adam and the Spirit of Elijah] united [with Adam within the mortal men of Judah, and became] one [spiritual man],

16.30 And King Adam [who] was nailed to Samson said, let [the mortal men of Judah] die to the animal nature of [the fiery serpent], the spiritual immigrants [within them], and King Adam [within Samson], cast down the bowed over [fiery serpent], the household [of Leviathan and] Satan, the lord of [the Dragon, the Force from the]

higher [energy centers of Leviathan's timeline, that] was nailed [to the mortal men of Judah, and King Adam] nailed all of the people [of Judah] to King Adam within Samson,

And [this is how King Adam within Samson] slew the numerous [spiritual flies that were produced by Satan's] dead waters [within the mortal men of Judah, who] slew [Adam within the mortal men of Judah, and] the dead mortal men of Judah entered into King Adam's household of life.

JUDGES, CHAPTER 21

[OLM 6/9/99]

21.01 The mortal men of Israel [who were] nailed to the resurrected Adam, the watchtower, [and] were completed, [by Him], demanded that the mortal men who are on Leviathan's side, turn over their fiery serpents to the mortal men of Israel, for a wife.

[OLM 6/16/99]

21.02 And [the Spirit of Elijah joined to] the human spirit [of the Benjaminites, and] they wailed and moaned as they transferred from [the] darkness [of their carnal mind] into [Adam's] light [mind, and] they died to the fiery serpent's lifestyle, and transferred into the lifestyle of the resurrected Adam, [and] the people [that repented] entered into Elohim's household, and He married them, and Abel's linear energy stream passed through the spiralline energy pattern of their

carnal mind.

21.03 And Elohim said, Adam, [the hand of] YKVK, the supreme God, is appearing in Israel to gather the widows [of] the tribe of [Benjamin] into one Spirit with Israel.

21.04 And it came to pass that the people took authority over their beast nature and sacrificed Leviathan, and the people repaired the altar that was there in the next time line, and the righteous timeline sprang up, and peace with YKVK was restored.

21.05 And the children of Israel said, how did the fiery serpent ascend in any of the tribes of Israel, of the whole congregation of YKVK? Because the men of Israel had sworn a strong oath with YKVK concerning the fiery serpent not ascending in addition to Adam, YKVK's watch tower, saying, "whoever does this thing shall be put to death."

21.06 And the children of Israel repented on behalf of their brother, Benjamin, saying, Leviathan, the counterfeit time line, is cut down and Israel is, once again, one tribe.

[OLM - 10/27/99]

21.07 Elohim will provide for and preserve the widowed personalities that were married to Leviathan [but now] belong to [Adam], [because] Leviathan has sworn that her daughters will not be given as wives to the household of YKVK.

[OLM - 11/03/99]

21.8a And Adam said [to the faithful men of Israel], YKVK is

uniting with the human spirits of the tribes of Israel, because the fiery serpents [in Benjamin] are ascended [into the counterfeit timeline that is] near to [Adam], YKVK's watch tower,

21.10 So Elohim vibrated forth into the crown [7th] energy centers of the men that Adam had gathered into their heart [4th] centers, and they became Elohim's army of virtuous spiritual males, the sons of Elohim's strength, and Elohim commanded [His] widowed sons, saying, [arise into Adam's mind], the [spiritual] sword of your mouth, [and] circumcise the fiery serpents of the personalities that are married to Leviathan, the land on the dead, female side of [Elohim's] river [of life],

21.8b And Satan saw [Adam] enter [into] the mortal men [of Benjamin, who] were gathered into [Satan's] army on the dead, female side of [Elohim's] river [of life],

21.09 And Adam gathered the people [of Benjamin into himself, and] Satan saw [Adam] there [within] the mortal men [of Benjamin] who were married to [Leviathan], the land on the dead, female side of [Elohim's] river [of life], [OLM 11/10/99]

21.11 And this is the thing that Satan did to the [spiritual] males [of Benjamin], and to their wives, the fiery serpents [within them. Satan] separated the fiery serpents, the wives of the spiritual males of Benjamin, from The regenerated Adam, and Sa-

tan's waters overflowed into the left side of [Benjamin's] heart center, and flooded the dry ground that Adam was occupying, and killed him, and Satan married the fiery serpents, the wives of the spiritual males of Benjamin, and the spiritual males of Benjamin, and the fiery serpents, their wives, died also,

21.12 So the fiery serpents, the bride of Leviathan, and the widowed mortal men who had [attained to] spiritual manhood, and [received spiritual] knowledge when they experienced [spiritual intercourse [with Satan], were in the brow energy center [when] Adam appeared in the spirits of the [Benjaminites] on the right side of their heart center, and Adam [within the mortal men of Israel, who were] Messiah [to the Benjaminites], entered into the personalities of [the soldiers of] Satan's army, who humbled themselves before [the regenerated Adam and Elohim].

[OLM - 12/01/99]

21.13 And [when Adam saw that] the mind that was divided from [himself had taken] the Benjaminites [as] wives, Adam gathered all [of the spiritual males in Israel unto himself, and] sent them forth to tell [Abel within the Benjaminites that Adam] was calling [Abel, the one who] belongs [to him, to prepare for the war that would restore] peace [with YKVK],

21.14 And Adam revived the spiritual life of [the Benjaminites that] Satan had acquired and

nailed to Leviathan, [and Adam] turned [Leviathan, the Dragon's] timeline that had made the Benjaminites her wife, away [from] the mortal men [who were] on the female side of death, [and] Adam set [the Benjaminites] upright,

21.15 And the people [of Israel] breathe strongly [again], since the time that Benjamin was widowed, [and] caused a break in YKVK's authority in Israel.

1 KINGS, CHAPTER 18

[356.2]

18.38 And Elijah smote Leviathan, and brought her to her knees, and evaporated the waters which had healed the Serpent's infertility, and the purified waters of life swallowed up Cain, and twisted her together with Abel.

1 KINGS, CHAPTER 19

[224]

19.3-4 And at the time that Elijah yielded to Leviathan's thoughts, he rebelled against Adam and deserted Him, and Abel, Elijah's human spirit, was completely joined to Leviathan, and the Serpent strengthened Leviathan, her high priest, whom Adam was holding captive, and Elijah had intercourse with, and married Leviathan, and Leviathan rose up hostilely, and sacrificed Adam up to the Serpent.

19.05 And Elijah stopped worshiping YKVK, and Adam vanished underneath Leviathan,^R and Abel, Elijah's human spirit, was joined to Levithan.

19.06 And Elijah willed within himself, and requested that his elder brother, Elohim, should crucify Abel, his human spirit, so that Adam could rise from the dead and marry his hostile Wild Animal [personality] quickly; because he acknowledged that his mind was not Adam, the Son of his true father, Elohim.

19.07 And behold, Elohim came to Elijah, the one who was joined to his own flesh,^{R-1} and Elohim said to himself [Elijah], how in the world did you fall down from full stature into this low spiritual place? And Elijah said, I have served YKVK, the God of battle, fervently when I was Leviathan,^{R-2} as well as when Adam was risen from the dead in me,²¹² but the Sons of

²¹² Elijah exercised enough control over Leviathan to serve YKVK when he lived out of his carnal mind, and he also served YKVK when Adam, his righteous mind, was temporarily raised from the dead in him (Is. 33:19[AT]).

Elijah gives the same account of what happened to him in verse 7 as in verse 15, proving that he spoke the truth when Leviathan was his mind, as well as when Adam was his mind.

And this is how it happened, first Elohim penetrated Elijah's carnal mind,^{R-2} then He joined with Abel, Elijah's human spirit, and raised up Abel's spiritual manhood.

^{R-1}Gen.1:1-4(AT) ^{R-2}Zech.11:11(AT)

19.11 And, as Elijah began to awake from the sleep of death, he perceived the battle, and Leviathan was releasing Abel, and he was being released from Leviathan's power and cleaving unto Elohim, and Adam was rising from the dead, and Adam veiled Leviathan, Elijah's carnal mind.

19.12 And, as Elijah was being aroused from the sleep of death, and as Adam, his righteous mind, was being renewed, he was becoming the living expression of YKVK; and Adam rose from the dead in Elijah, and Leviathan, Elijah's carnal mind, became spiritually weak, and he prostrated himself before Adam, and as Adam brought Leviathan into submission, he became sick and died; and Satan dried up and died also; and Adam [in Elijah] married Elijah's spiritual body [personality], and Elijah's nature was converted.

19.13 And when Adam, Elijah's righteous mind, was raised from the dead, Adam in Elijah went after the Sons of Israel, and Elohim chased after, and overtook Satan in their unconscious mind, and Adam chased after, and overtook Leviathan, their conscious minds, and Elohim broke Satan's power, and divided the unified, corporate unconscious mind of the

Sons of Israel, and Adam crushed the Wild Animal's bones, and they died also.

19.14 And this is how Elohim silenced the voice of Leviathan, the one who was trying to kill Elijah, and raised Adam, Elijah's righteous mind, from the dead.

19.15 And after Elijah's complete restoration to Adam's full spiritual authority, YKVK said to him, how in the world did you fall down from full stature into this low spiritual place? And Elijah said, I have served YKVK, the God of battle, fervently as Adam, as well as Leviathan (See, *Note # 176*),^R but the Sons of Israel are seeking to stop me from exposing their sins by killing me, and they've broken their marriage covenant with YKVK, and separated themselves from Him in their thoughts, and Leviathan cut Adam away from me, and murdered Adam in them, until only Leviathan remained.

[356.2]

20.10 And the time came for YKVK to restore Elijah to the spiritual world above the firmament, so Elijah [explained] to Elisha that he would still be among the prophets [after] he, [Elijah], departed,

2 KINGS, CHAPTER 2

[394.6]

2.01 And the time came for YKVK to restore Elijah to the spiritual world above the firmament, so Elijah departed [from Elisha's human spirit], but Elisha was still among the prophets,

2.02 And Elijah said to Elisha, YKVK is restoring me to the spiritual world above the firmament, so I urgently advise you to continue to dominate Leviathan after I pass over into the eternal time line. And Elisha humbled himself before Michael and the resurrected Adam, Elohim's house[hold in Elijah], saying, YKVK's life has preserved your personality, and I am determined that the life I received from [YKVK through] you, shall preserve my personality also.

2.03 And Michael came to Elisha, saying, do you know that YKVK will enclose [Elijah], the one who controls [Leviathan, the Serpent's] high priest [in you, in a spiritual body] today? And [Elisha] said, yes, I Am has declared it, and said no more.

2.4a And Elijah said, I urgently advise you to continue to dominate Leviathan [after I pass over into the eternal time line], because YKVK has appointed Leviathan and Satan to test you. And [Elisha] said, YKVK's life has preserved your personality, and I am determined that the life I received from [YKVK through] you, shall pre-

serve my personality also,

2.5a And the Serpent's daughter, Leviathan, the false prophet,

2.4b Attacked Elisha,

2.5b By drawing near to Elisha to tempt him, saying, do you know that YKVK will enclose [Elijah], the one who controls [Leviathan, the Serpent's] high priest [in you, in a spiritual body] today? And [Elisha] said, yes, YKVK has declared it, and said no more.

2.06 And Elijah said to [Elisha], I urgently advise you to continue to dominate Leviathan [after I pass over into the eternal time line], because YKVK has divorced me from [Leviathan and Satan]. And [Elisha] said, YKVK's life has preserved your personality, and I am determined that the life I received from [YKVK through] you, shall preserve my personality also,

And Elisha continued to dominate Leviathan.

Elohim's *New Man*, the resurrected Adam is the *subconscious mind of the INDIVIDUAL* member of Elohim's many-membered *New Man*, and Elijah and the resurrected Adam, together, are the *COLLECTIVE subconscious mind* of Elohim's many membered *New Man*.

The conscious mind of mortal man is singular [Cain], where Abel is dead, and double [Cain and Abel], where Abel is resurrected (James 1:8; 4:8). Immortals don't have a conscious mind because, by definition, immortality is the liberation of the subconscious mind, our spiritual nature, through the tearing away of the conscious veil of illusion that covers it (Mk. 15:38).

An individual is born again into the spiritual life of Michael's eternal time line when their human spirit emigrates from their carnal mind [who possesses the right side of the heart center], into Adam, Elohim's fully mature mind [which possesses their whole heart center], *which is fused to their personality*. Adam possesses the whole heart center only after He defeats and destroys the carnal mind.

chael, the other] time line, and Leviathan rose up on behalf of the Serpent.

2.08 But Elijah married Michael, and [was born again as a Magnificent Man], and Elijah boiled [Satan], his [spiritual] urine, and [Satan Elijah's spiritual urine] was divided into two parts that went in opposite directions: [Elijah's human spirit] passed through [the firmament into the upper window] but [the Earth], the second part, [remained in the lower window], became a desert, and vanished.

2.09 And it came to pass, that when [Elijah] was delivered out of the Serpent's hand, that Elijah said to Elisha, ask Elohim to do something for you before He takes me away, and Elisha said, let a second mind that is of [Elohim's] Spirit be born in me.

2.10 And he [Elijah] said, you have asked for a difficult thing, [nevertheless] if you see me being snatched away from [Ashtoreth, (see, ¶ 3, **Note # 186**)^R my [other] self, [Elohim's] righteous [mind] belongs to you; but if you can't see [my spiritual ascension], you [are] Leviathan and Satan.

^RJude 1:9(AT)

2.11 And as [Elijah and Elisha] continued to walk and talk, the resurrected Adam [YKVK's Splendid Judgment upon Israel], and Michael, [the Splendid Spirit] from above the firmament, divided Elijah from [Ashtoreth (see, ¶ 3, **Note # 186**), Elijah's other self], and Elijah ascended^R into the swirl-

ing energy centers above the firmament.

^REz. 1.26a(AT)

2.12 And Elisha saw it, and cried out, **Michael is the Spirit of Judgment, and the resurrected Adam is YKVK's Judgment upon Israel**, but Leviathan, [Elisha's] deceitful mind, saw [Elisha's emotional outburst as an opportunity to escape], and [Satan] boldly tore [Elisha's] double [mind] in pieces,

2.16 And Leviathan and Satan said to [Elisha], why don't you go see if you can find your master [Elijah], that man who is pregnant with the seed of [Elohim's] powerful army, because he worships [YKVK]. Maybe YKVK's Spirit has carried him away and cast him into a singular[ity, in which case his spirit ascends, but his personality dies], or [even worse, incarnates Elijah's human spirit] as a [mortal] singularity [mortal man];^R and, [in either event, Leviathan and Satan] continued, Leviathan shall be loosed [and overtake you, and you shall die to YKVK's life].

^RMatt. 11:14

2.17a And this is how Leviathan and Satan pressured Elisha, and confused him, and deprived him of his hope of being harvested,

2.15 But when Michael saw that Leviathan and Satan, the Serpent's servants, had entered into Elisha[']s mind], and were opposing and attacking him, he commanded Elijah's

spirit to fall upon Elisha,²¹⁴

²¹⁴ Elijah didn't ascend as a singularity, that is, as a spirit without a personality, nor did he incarnate again as a mortal man (see, verse 16). Elijah **brought his personality with him** into the spiritual world above, and become a Magnificent Man who could be present in heaven and earth at the same time. (See, also, **Note # 172, 213.**)

Some translations of the Scripture indicate that the Spirit of Elijah was present in John the Baptist, but this misunderstanding is due to the incorrect translation of the Greek text. Jesus was talking about Himself when he said, **And if ye will receive it, this is Elias, which was for to come** (Matt 11:14 KJV).

Elijah is more than an early example of Jesus, the Christ. The Spirit that hovered over Mary -- the Spirit that is Holy enough to bring forth a God man, and enough like Adam to bring forth a human child -- is Elohim's Spirit, joined to Elijah's personality, through the mediatorship of Michael and the resurrected Adam, who are the splendid, immortal mind of Elohim's **New Man**. (See, also, **Note # 172, 213.**)

It is this truth that Matthew is

2.17b And Michael chased [Leviathan and Satan] away from the pregnant man, saying, **get out of here**, but Leviathan and Satan sought the Serpent [the third part of the day], and asked her to appear and attack [Michael],

2.18 And [when Michael] returned from [his battle with the Serpent], he said to [Elisha], the one who was married to Leviathan and Satan, I told **Leviathan and Satan** to go away.

2.19 And [then Michael] said to Elisha, the man inside of the guarded place [garden/righteous mind], look, I urge you to stay in your righteous mind, but you need to recognize that the Earth [must remain] barren because [Satan's] water is morally evil,

2.14c And when [the Magnificent Man] had boiled Satan, she was divided into two parts that went in opposite directions, and [Cain] passed through [the firmament], but [the Earth], the second [part], became a desert and vanished.

2.21b And [when Elisha] was delivered,

2.21c [He prophesied] saying, Thus says YKVK, I have healed and transformed Satan[’s waters], so Ashtoreth (see, ¶ 3, *Note 186*), your other self, won’t be around any more, and the Serpent shall be childless [Leviathan aborted].

2.23a But the Serpent ascended into Elohim’s household [Michael and Adam], and her moral character stirred up Leviathan and Satan, the unimportant ones that [Michael] drove out,

2.24b And [Leviathan and Satan] tore open the honeycomb [Elisha’s righteous personality],

2.23b And came forth into the guarded place [Elisha’s righteous mind], and ridiculed Elisha saying, [so you really think that] you can ascend above your [spiritual] nakedness because of Michael and Adam?

2.24a But [Elisha] turned away from the Serpent, that female animal, and [Leviathan and Satan], her two children, and [stood] behind [Michael and Adam], and cursed them in YKVK’s righteousness.

2.5a And this is how Elisha turned away from the northern kingdom [Leviathan and Satan],

2.13c Stood up firmly beyond the Serpent’s grasp,

2.25b And ascended into the garden on the mountain top [above the firmament].

2.22 And the waters [of the creation] remain healed up until this day, because Elisha subdued [Leviathan and Satan] and put them to flight with the words that he spoke.

2 KINGS, CHAPTER 6

[555.4]

6.25 And, the extreme appetite of [the fiery serpent ascended into] the navel [3rd] energy center, longed for [the energy of the king of Israel’s] fourth part, so [Leviathan], the Primordial Serpent’s timeline, circumscribed [King Adam], the captain of the guarded timeline, and filled [the king of Israel’s] empty spiritual womb with [his own] spiritual dirt,

6.26 And as the king of Israel was crossing over [into his carnal mind], the fiery serpent cried out to him saying, I will assist you, master, my king,

6.27 But [the king of Israel] said [to the fiery serpent], I will not take your help, my help comes from [King Adam], YKVK[’s judgment], who separates Abel [the dust] from the fiery serpent [ground], and my human spirit from Satan,

6.28 And [when] King [Adam heard the king of Israel’s expression of faith], he said to him, you [are] Elohim., and told [the king of Israel how the fiery serpent had tricked him, saying], the fiery serpent said, give your sons to me and I will purify them in the fire [of experience, and] the fire [of experience], will transmute them into the [children of the] Day ,

6.29 So I told the fiery serpent to ripen my sons in the fire, but she set herself over my sons, and consumed their energy, and the [children of the] Day [became] other gods,

6.30 And it came to pass, that when the woman [fiery serpent] heard these words, she separated from [Leviathan], her cover, and [Abel] burst through [the ground], and the people saw that [King Adam, Elohim’s] male mind [flesh], was covering [the king of Israel], and discerned that [King Adam, the spiritual] sackcloth of YKVK’s judgment, had passed over the wall [of the serpent’s triangle],

6.31 And the king of Is-

rael said, let [King Adam], the captain of Elisha, the son of Shaphat do whatever He wants to me, so long as the [Adam, the King of the] Day stands upon my [mortal mind].

6.32 But Elisha remained within [King Adam’s] household, and [the Spirit of Elijah and Adam], the [spiritual] elders [within the king of Israel], remained married within him, and [Satan] shot forth in the mortal man [who was] king [Adam’s] personality, but before [Satan], the angel [of light], entered into [the king of Israel], the [the Spirit of Elijah and Adam], the [spiritual] elders [within Elisha], said [to the king of Israel], see how [Leviathan], this son of a murderer [the Primordial Serpent], hath sent [Satan] to separate you from [King Adam], your head.

[Therefore], when you discern that [Satan], the angel [of light], has entered into your unfired [changeable] conscious mind, oppress her [when she tries to enter in] at the door, and imprison her, [because where] the spiritual activity [sound] of Satan is, Leviathan, that slanderous spiritual male organ [who is] her master, follows.

6.33 And while [Elisha] continued to talk with the [king of Israel], behold, Satan came down into him and [the king of Israel] said, behold, YKVK [has sent] this evil, so should I wait for YKVK[’s deliverance] any longer?

2 KINGS, CHAPTER 9

[517.5]

9.30 And Jezebel, [the mortal men who prefer Satan's nature], perceived that Jehu had entered into Jezreel, [the mortal men who are sown with YKVK's seed, to revive Abel], and [the glorified Elijah, Adam's] captain [within Jehu], completed the personalities [of the people that Abel was sown in], and the Fiery Serpents, the spiritual seaweed in the right side of the heart (4th) energy center, acquired the witchcraft power of the brow (6th) energy center to lay violent hands upon [Adam, who Jehu had regenerated within the people who are sown with YKVK's seed, and to cast Adam down],

9.31 And as [King] Adam appeared in Jehu's crown (7th) energy center, [Jezebel, the mortal men who prefer Satan's nature], said, [YKVK] has sent you, [a man who] murdered his sovereign, [to restore us] to peace [with God]?

9.32 And [King Adam within Jehu] carried [Jehu], the personality [that he was appearing in], into the brow (6th) energy center, and [Jehu] said with the spiritual authority of the the brow (6th) energy center, who is on YKVK's side? And [this is how King Adam] looked out of [Jehu's spiritual eye] for Abel, [the one] who is less important [to the Primordial Serpent, than] the eunuch, [Cain],

9.34 And [the glorified

Elijah, YKVK's fiery Spirit of Judgment within Jehu, boiled Satan within the mortal men where Abel, YKVK's seed was sown], and [Abel] swallowed up [Satan's evaporated waters, and Adam regenerated and] consumed [Leviathan, and] penetrated the fiery serpent, and King [Adam within Jehu] said [to Adam within the mortal men where Adam was regenerated], now [continue to] take charge over [the Fiery Serpent], the daughter of [Satan], whose curse [spoken from within Noah], nailed [Abel to Cain, the earth that the Primordial Serpent] heaped up [to form the female part of the personality],

9.35 And Adam [within the mortal men who preferred the glorified Elijah], carried [Abel, who] Cain had buried, [into the brow (6th) energy center of the righteous timeline], but Leviathan [within the mortal men who preferred Satan's nature], acquired [Abel again], when [Cain, Abel's] lower nature, reached out for,

9.36 And grasped the Fiery Serpent [in the mortal men who preferred Satan's nature]. And [Leviathan, who was] standing boldly opposite Adam [within] the Jezreelites, [the mortal men where Abel, YKVK's seed was sown], turned Adam [within the Jezreelites, the mortal men where Abel, YKVK's seed was sown], back into [the belly (3rd) energy center, where he becomes Abel again, but] King Adam [within

Jehu] responded [with the same words that] YKVK pronounced by His servant, Elijah, the Tishbite, saying, [King Adam within] Jezreel, [the people where Abel, YKVK's seed is sown], shall divide [Abel from the Fiery Serpent, and King Adam] shall divide [the Fiery Serpent from Leviathan, and King Adam] shall consume [Leviathan], Satan's male organ.

9.37 And the Fiery Serpent, the limp [male organ] of Jezebel, [the mortal men who prefer Satan's nature], shall become [Pharaoh, the Primordial Serpent's] ascended spiritual excrement, [who is] against [Adam's energy] field, the inheritance of the personalities of Jezreel, [the mortal men who are sown with YKVK's seed], because Satan has appointed Jezebel, [the mortal men who prefer Satan's nature], to [Leviathan], the other [energy field].

2 KINGS, CHAPTER 13

[394.6]

13.20a Now the invading Moabite troops had entered into Elisha's righteous mind,

13.14 And [Adam], Elisha['s righteous personality] was wounded, and dying because of [Abel's] calamity, when Joash, the king of Israel, came and prostrated himself before Elisha, weeping bitterly, saying, *you are Elijah, the Spirit of judgment, and the resurrected Adam, the righteous judge of Israel*, [how can Adam, your righteous personality, die?]

13.21a [King Joash said this] because [the spiritual Moabites] had cast Elisha down into a [spiritual] black hole,

13.20b And buried [Abel, Elisha's righteous mind], under the Serpent's [mind, and Adam, Elisha's righteous personality] had died,

13.21b But as the [spiritual Moabites] were burying [Abel, Elisha's righteous mind], Elijah circumcised [the Serpent's mind within Elisha], and Elijah had spiritual intercourse with [Abel, Adam's root system within Elisha], and [Abel], Elisha['s potential to be righteous] revived, and Adam, [Elijah's righteous personality], rose from the dead [within Elisha], and Ashtoreth, [Elisha's other self (see, ¶ 3, *Note # 186*)] died [when Adam] stood up after [Elijah] resurrected [Abel, Elisha's] righteous mind, and [when the spiritual Moabites] looked, they saw [only the glorified] Elijah and the [immortal], resurrected Adam, [who were standing in front Elisha to defend him].

2 KINGS, CHAPTER 14

[426]

14.24 And Jeroboam, the son of Nebat, made Israel to submit to the fiery serpent instead of to Adam, Elohim's mind, and everyone's [sacrifice for] sins was taken away,

14.25 And he turned back from the attack that YKVK, Elohim and Adam were waging on behalf of Israel, against [Levi-

athan's] fortress in the astral plane, which would have sterilized her, as YKVK, the God of Israel, instructed him to do through [Adam's regenerated] mind [within] his servant, Jonah, the Son of Adam, the prophet who judged Israel's female mind,

14.26 And YKVK saw that Israel was in misery because he was exceedingly rebellious, and that nothing could restrain the Dragon, nor repair Adam, Israel's helper.

14.27 And the Dragon was threatening YKVK that she would erase Israel's [righteous] moral character from the underpart of the waters above the firmament, but [YKVK delivered them because Jeroboam was the son of Joash.

2 KINGS, CHAPTER 18

[429.2]

18.04 And [Hezekiah] separated himself from the energy-conducting [fiery serpent] who was erected [within him, as she was] in the children of Israel in the days that [Leviathan] summoned her to sacrifice [the resurrected Adam], but Moses pressed [her] down;^R and [Hezekiah] circumcised [Ashtoreth], the goddess, [off of Abel], and crushed [Leviathan's] male reproductive organ, and made [Satan,], the high wave, to recede.

^RNum. 21:8(AT)

2 KINGS, CHAPTER 23

[356.3]

23.12 And Josiah overthrew Leviathan, and divided his human spirit [from Cain], the one who cast Abel into the black hole,^R and Abel, the Spirit of Elijah joined to [Josiah's] human spirit, broke away from Cain, the offspring of the Earth, which two are YKVK's double-minded house.

LAMENTATIONS, CHAPTER 4

[313.19]

4.01 The Serpent overshadowed^{R-1} Adam, the upper part^{R-2} of the living soul, and YKVK and Elohim divorced him,^{R-3} and [the Living Beast] changed from good to evil [immortal to mortal].^{R-4}

4.03 But, Leviathan, the Serpent's deadly, impure mind,^{R-1} causes the spiritual young ones to depart from Elohim and YKVK by teaching the false doctrine, that it's not necessary to prepare for war.^{R-2}

MALACHI, CHAPTER 4

[392.3]

4:05 Behold, YKVK shall come in the personality of Elijah, the prophet, to gather you into His wonderful, ancient time line,

4:06 By incarnating Michael and Adam's corner [Messiah], the woven garment [immortal mind] that is committed to utterly destroy the Earth's fertility], and Messiah shall thrust His [immortal mind] into the [mortal] mind of [Elohim's spiritual] children, and restore the male conscience of [Michael and Adam], their fathers. (See, **Note # 174, 214.**)

MICAH, CHAPTER 2

[330]

2.01 Woe unto those who are acting out Leviathan's thoughts because of their spiritual weaknesses. When Elijah [crucifies Abel in them], Adam, the mighty one, shall arise, and give them the strength to sacrifice Leviathan as a sin offering,

2.02 Because, the Serpent, desiring minds and personalities to manifest through, violently seized Adam and his household [the Living Beast], and forced the mortal man [Abel]²¹⁵ to

²¹⁵ The use of the Hebrew word *ish, mortal man*, instead of the Hebrew word *Adam*, indicates that Adam had already died (continued...)

marry Leviathan; and this is how Leviathan married the Living Beast [and turned Him into a Wild Animal].

2.03 Therefore, says YKVK, look, I'm thinking evil thoughts against Judah, and you shall not stop me from cutting your carnal mind [head] off; neither shall you go around lifted up in pride any more, because it's time for *my thoughts* to be acted out in the visible world.

2.04 And in the day that Adam appears in you and forgives [judges] your sins, [the men of] Judah shall gather together as one mind and say, Abel [virgin Son of Judah] has been changed [lost his strength] because Adam isn't appearing in him any more, since Elijah has given Himself to the gentiles [heathen] who are repenting [of their carnal minds] and He has delivered them, because they have violently slain [Leviathan],

^RJob 7:2(AT); Is. 22:14

2.05 And that's why YKVK hasn't appointed anyone in the congregation to judge [forgive] our sins; but now that Adam is risen [again] [in the Gentiles], we shall be watered and fed;

2.06 Therefore, Leviathan's [thoughts] and the Wild Animal's [emotions] are your two witnesses that this prophesy,

²¹⁵ (...continued)
to his immortal spiritual manhood.

that you shall be clothed with the [carnal mind's] shame, shall not be withdrawn.

2.07 But Jacob says, YKVK's Spirit is cut off, amen, these [prophesies of doom] could not be His works; but YKVK says, [these prophesies of doom are my righteous judgment], because my lawsuit [against Judah], and the resulting judgment [because all mankind is guilty], puts Cain, the mortal Woman within the [spiritual] men keeping the law, in order.

2.08-09 Indeed, a long time ago, in the age opposite this one, my people incarnated as the children of Belial^{R-1} when the Serpent, foolishly confident because of her victory over Adam, Elohim's mind,^{R-2} violently took hold of Adam's widowed spirit and carried the whole Living Beast^{R-3} away, and passed over into this dead age,^{R-4} by spreading herself out in front of the existing world.²¹⁶

2.10 So die to Belial's lifestyle and stand up in full stature, because Leviathan is the idol which binds you to this hellish world with a cord of hard labor,

2.11 Where mortal man, the lying witness to Adam's

resurrection, is [saying], *I prophesy that Adam shall arise out of Abel, your withered, mortal human spirit*, because they had intercourse with the Serpent's [unclean] mind. Therefore, mortal man shall be the prophet of this [rebellious] people,

2.12 And I will take Adam away from Jacob by condensing Him back into Abel [their mortal human spirit], and join Adam to the Gentiles, so that the whole Wild Animal may be healed; and the Gentiles shall be a flock in the midst of their feeding place, just like Israel was [YKVK's flock] when Adam was in the midst of them; and Elohim's Sons shall judge the sins of the Gentiles.

2.13 Elijah has pierced through Abel, and [they have] raised Adam from the dead, and he has broken up [Leviathan], and is overflowing into, and appearing in, the visible world, and Elijah shall be their head.

MICAH, CHAPTER 7

7.17 Elohim's Sons shall pass over Leviathan, the Wild Animal's many-membered carnal mind, and the nations shall stand in fearful awe of them, and they shall revere YKVK because of Elohim's Sons, and they [the Sons and the nations] shall mature into Elijah,^R and they shall violently vibrate out of their physical bodies.

NUMBERS, CHAPTER 5 [60.4]

5.22 And the Serpent is the cause of the detestable condition that the Living Beast fell into, when Adam committed adultery and fell down from the spiritual world into the visible physical world, where his female side inflated into an army.

NUMBERS, CHAPTER 13 [404]

13.17 And Moses sent undercover agents to gather military information about the carnal mind [and her armies] saying, let your withered human spirit spring forth and ascend up to Michael [the high mountain],

13.18 So that you can recognize [Michael, the one who enforces] Elohim's moral order, and the people who dwell above [the sea], and the Serpent's captain, that mighty Leviathan [sub-conscious mind], who will be consumed in a little while,

13.19 Because, Adam, is marrying [Michael] the good time line, [who enforces] Elohim's moral order, and Adam's fortified mind [Michael and Adam] will dwell in the same physical bodies [as] Leviathan's [conscious], defenced mind, which is the Serpent's evil [time line],

13.20 But Michael & Adam, Elohim's mind, withers the Serpent and Leviathan [sub-conscious mind], who are the tree [of the knowledge of good and evil], and [Adam's] time

line [in the earth] restrains Satan and captures Leviathan, the [conscious] mind of the personalities of the earth.

13.21 And as the [undercover agents] ascended [up to Michael, the high mountain], they recognized that they were the Woman who was hostile to Michael, [the one who enforces] Elohim's moral order, because Leviathan [their conscious mind], is the [spiritual] womb [that receives] the Serpent's [seed],

13.22a And Adam ascended out of their withered human spirit, and attacked Satan [**UNCONSCIOUS MIND**], the Woman [personality], and Leviathan [the **CONSCIOUS** mind], within Anak, the witch who was in full stature,

13.23b And Michael, bound himself together in one accord with Adam [spiritual marriage], and the double portion, judged Satan, the yoke bar that joins the Woman to the Serpent,

13.23a And [Michael and Adam] gathered the Woman [out] of [Satan], the [Serpent's] semen,

13.22b And the personalities that departed from the enclosed place were rebuilt into [Adam's] time line,

13.23c And [Michael & Adam] cut themselves away from Leviathan, the [Serpent's] murmuring, idolatrous sub-conscious mind,

13.24 And their [righteous] mind summoned, the Woman who is the waters of the Ser-

pent's semen, above [the firmament], because [Adam], the fruit [of Michael's testicle], cut the children of Israel away from [the Serpent's time line],

13.25 And the undercover agents returned from exploring the Earth, and ending the Wild Animal's time line.

21.8 And YKVK said to Moses, direct yourself above the fiery serpent in their spinal column, and pass over her, and press her down [into the root center where she belongs], and Adam, their living self, shall rise in every one who distinguishes between Adam [and the fiery serpent],^R

^R2 Kings 18:4(AT)

NUMBERS, CHAPTER 22

[380]

22.21a And Adam rose up within Balaam, and compressed [Balaam's] bestial nature,

22.20 And Elohim came to Balaam and said to him, [Satan, Adam's] widow, is calling to Cain [within you] to rise up and besiege the men [of Israel], but even though you go with them, the words that I say will, nevertheless, come forth [from your mouth],

22.21b And Balaam went with the princes of Moab,

22.22 And Elohim's judgment emanated from King Adam [within Balaam], because [Balaam] went [with the princes of Moab], but Adam, YKVK's

righteous lifestyle [within Balaam] opposed [Leviathan, Balaam's carnal mind, who was] now riding upon [Cain and Abel], her two servants, [who are Balaam's] bestial nature, and when [Adam] endured,

22.23 [Cain, Balaam's] bestial nature, saw Adam, [YKVK's righteous] character, standing with his drawn sword in his hand, and [Abel, the righteous] part of [Balaam's] motives, walked into the field of Balaam's [consciousness], and struck [Cain, Balaam's] bestial nature, to turn Balaam towards [Adam's righteous] character,

22.24 And Adam, YKVK's righteous [character], stood in the narrow passageway [that leads to] the spiritual reproductive parts [of Israel], as a wall [of separation] that covered their sins [from the inside] and blocked Balaam's curse [from the outside],

22.25 And when [Cain, Balaam's] bestial nature, saw that Adam, YKVK's righteous wall [of separation] was crushing her underneath [Abel], she thrust herself toward [Leviathan's] side of the wall that separated [Balaam from Leviathan], and killed [Abel] again,

22.26 And, in addition, Adam, YKVK's righteous [character], went and stood in that narrow place [where one's nature turns from good to evil], so that [Balaam] could neither judge [Israel] nor unravel his authority,

22.27 And when [Cain,

Balaam's] bestial nature, saw Adam, YKVK's righteous [character], she collapsed under [Abel's authority]: And anger poured out of Balaam, and Balaam struck [Cain, Balaam's] bestial nature, [commanding her] to use witchcraft against [Abel, rather than submit to him],

22.29 So [Cain], Balaam's bestial nature, said [to Abel], you are the source of my pain. If I had a sword in my hand I would kill you right now,

22.28a So YKVK opened the mouth of [Balaam's dual] bestial nature,

22.30a And [Abel, the good side of Balaam's] bestial nature said to Balaam, we are your fiery serpent, the bestial nature which has been your mortal foundation, repeatedly, up to this incarnation,

22.28b And [Abel, the good side of Balaam's bestial nature], said to Balaam, Elohim has smitten [Cain, the bestial nature] that belongs to you these three times,

22.30b Is it customary now to subject [the one who] belongs to you [to these things]? And [Balaam] said, "no."

22.31 Then [when Balaam repented], YKVK opened Balaam's eyes, and Balaam saw Adam, YKVK's righteous character, standing with his drawn sword in his hand, and [Abel and Cain, Balaam's righteous] personality prostrated itself, and [Balaam] bowed his head,

22.32 And Adam, YKVK's righteous [character] said [to Balaam], Elohim has smitten

[Cain], your bestial nature, these three times. Look and understand that I went out and opposed [Leviathan], the lifestyle which is opposite mine, [so that Abel] could cast down [Cain within you],

22.33 And [Cain, your] bestial personality, saw me, and turned towards [Abel], my [righteous] personality, these three times: And if [Cain] had not turned towards [Abel], my [righteous] personality, this time, I would have forcibly separated [Abel from Cain] to save your life,

22.34 And Balaam said to Adam, YKVK's righteous [character], it was sin for me to not know that you were opposing my lifestyle. [But] now [that I have repented], will you return my evil eye to me?

* * * * *

24.1 And when Balaam saw that YKVK [had opened] his good eye to bless Israel, [Balaam] no longer opposed [Israel, Adam's] footsteps, with incantations, but drew near to the speech of [Abel], the root [system] of [Adam's] personality (face).

PSALMS, CHAPTER 72

[33.1]

72.16 And Elijah shall collide with Adam's widowed spirit with a hard blow, and join with him, and [they shall] bring [Satan] into submission, and the Living Beast shall be Elohim's horse, which shall leap upon command. And the resurrected Adam shall be revealed in the many members of the Wild Animal, and they shall be mature spiritual men, showing forth YKVK's life, like mature grass with a fully developed embryo within.

And in that day, Adam shall be expanded, poured out, and distributed throughout the Earth of mortal man, and Elijah, the first of many brethren to shed his outer [physical] body (see, *Note # 174, 214*),^R shall cover over the Serpent, who was a part of the Living Beast from the beginning, but became the leader of the proud tribes of the Earth when she married the ground, and the Living Beast became a Wild Animal.

104.24b This proud visible world which is full of your Spirit,

104.26 [Is inhabited by] mortals [who are possessed by] the Serpent's mind, that Leviathan who is destined to engage in warfare with Adam, to determine whether the Woman will be in the image of Elohim, or the Serpent.

PSALMS, CHAPTER 105

105.01 Confessing your sins, invites YKVK's nature, [which nature] recognizes the abusive deeds of your kinsman,²¹⁸

105.03a So let [King Adam], YKVK's thought form,²¹⁹

²¹⁸ YKVK's nature recognizes the hidden sins of the heart that mortal man dismisses as **human**, but which produce death (Pro. 16:25).

²¹⁹ The Hebrew word translated, **glory**, Strong's # 1984, the same Hebrew word translated **praise** in verse 45, signifies Adam, humanity's spiritual, righteous inner man, who is the invisible expression of YKVK's creative thought.

The Hebrew word that is more often translated, **glory**, Strong's # 3519, means, **weight**, (continued...)

105.05 Who recognizes that the [spiritual] male performs the miracle of marking [humanity with Adam's] righteous mind,

105.04b [And] inquire after [Elijah], and follow [Him everywhere],

105.02b [Because Elijah] vibrates on [YKVK's] frequency,

²¹⁹ (...continued) that is, the visible manifestation, or dense expression, of YKVK's thought.

The **phrase, the praise of His glory**, then, is speaking about Adam, YKVK's invisible creative thought (praise), joined to a man, who's mind and personality are the visible expression (glory) of that creative thought. YKVK's complete, creative thought, appearing by its manifested, dense form, is the definition of **Messiah**.

The Greek word, **logos**, expresses this same idea. The mind (praise) and personality (glory) of Jesus of Nazareth, accurately expresses the Father's nature (Jn 5:37).

105.23b And attacked Jacob[s carnal mind], which was in awe of Ham[s spiritual power],

105.28 And, so, [Moses] set [the ones who were judging their own sins] free from the darkness of the fiery serpent's confusion, but [Cain, the conscious part of their carnal mind] rebelled against [Abel, Adam's root system], who was miraculously spoken into them,

105.31 So [YKVK] commanded that [Abel], the root system [that would mature into] Adam [Elohim's immortal] mind, should be gathered together into the higher energy centers,

²²⁵ The solitude which shuts out the sounds of this world, equips us to hear the sounds and communications of the *inner world* of Elohim's spiritual city.

Many today believe that the spiritual concept of *the silence*, means passive, or silent, listening, but this deception opens one up to Satan's domination and mind control, and spiritual oppression by the evil forces that dwell in the astral (emotional) plane.

YKVK (Christ Jesus in the New Testament) speaks to us when the visible physical world is silent, not through the silencing of the inner world which we access through our mind.

The Serpent waits for us in Leviathan's spiritual city, where she hopes to snatch us as we relinquish the use of our mind and enter into spiritual passivity.

ZECHARIAH, CHAPTER 6

[40.2]

6.01 And I turned towards the visible, spiritual world, and focused my spiritual eyes, and looked into the Spirit, and, a miracle, I saw spiritual things, [the widowed spirit of Adam], the lamb that was slain, was flattened out into the linear plane of mortal man, and became the womb designed to raise Adam from the dead; and she was a

Wild Animal that was emerging forth and unfolding like the leaves of a plant, and Adam and the fiery serpent were two distinct spiritual powers^R proceeding forth from her. (See, *Note # 47*)

^RZeph.1:2(AT); Gen.4:1-2(AT)

6.02 At the beginning, Adam, ruled over the material Earth which gave him form, and over the Serpent, the one in second place, who was in darkness, and Michael was ruling over Adam, the mind through which YKVK would appear, but the Serpent became, strong, fortified herself [against Adam and became Leviathan, who] multiplied to her fullest, and is appearing through many leprous, sin-filled members.

6.03 Then I answered and said unto Elijah, the one who was talking with me. What are these, my Lord?

6.04 And Elijah answered, and said to me, the four horses symbolize Adam, who was in right standing with Elohim, ruler of the Earth, as well as of the heavens, when they were one Spirit before Adam [separated from] Him, but [the Serpent] incarnated [as Leviathan], who - increased like a plant [into many members].

And this is how the many members of the Wild Animal appeared on the face of the Earth.

6.07 Then Elijah explained to me in a loud anguished cry, [saying], in due season, you will understand that Adam shall [be restored to Elohim's family,^R and they] shall increase into [Elohim's mature Sons], because Adam's widowed spirit is Elohim's Son, and even though he's joined to Satan right now, he shall eventually be [a part of] the mind where [YKVK's] Spirit rests.

ZECHARIAH, CHAPTER 9

9.15 YKVK's soldiers shall defend them, and they shall be like filled bowls,^R and devour them...And Adam and Elijah shall save them in that day.

^RRev. 15:1

ZECHARIAH, CHAPTER 11 [284]

11.01 Let down your defenses, Cain, so that the lake of fire [Spirit of Elijah] can consume your mortal mind,

11.02 And sound a war cry

[all of you men in whom Adam is being raised from the dead], even though you're still living out of your carnal mind, because the Spirit of Elijah is come down to [break] your mortal mind [apart]. Sound a war cry, because the fiery serpent has been cast down, and the true nature of [Elohim], the powerful one, is returned to you,

11.03 And the pastors are wailing out loud, because Adam is overlaying [their carnal mind]. The cry of grief-stricken men is heard because [King Adam] is bringing down the spirit of death.

11.04 Therefore, says YKVK and Elohim, govern the bestial men whose carnal minds you are slaughtering

11.05 The ones who are enslaved by their own carnal minds. Declare my righteousness to the mortal men whose own pastors don't have enough compassion to show them their sins,

11.06 Because I won't extend the gentle judgment of Elijah's Spirit to those who are agreeing with their carnal minds anymore, says YKVK, but will turn them, individually, over to Satan's calamitous judgment;^R and Satan and Cain, will strip Abel of his priestly authority, and kill him, and I won't snatch them out of danger,

^RJob 1:12

11.07 But I will govern the sheep who are slaughtering their own carnal mind, those who are wretched and afflicted because of their faithfulness to YKVK,

and this is how I will do it:

I have entered into a marriage contract with mortal man which provides that I will raise Adam, their righteous mind, from the dead. The first stage of this contract is called *grace*, or the *imputed anointing*, and the second stage is called *crucifixion*, or the *imparted anointing*, and this is how I'm governing all of mortal mankind until the marriage,

11.08 So, the Spirit of Elijah restored Abel's priestly authority, and he is overcoming Satan in battle, but they refuse to live out of him,

11.09 Then I said, I won't extend the gentle judgment of Elijah's Spirit to you anymore, so whoever has been restored to Abel's priestly authority, and lets Abel die, let him die; and to those in whom Adam has been raised from the dead, but are refusing to live out of him, let Adam be tread underfoot in that mortal man; and let the rest of the rulers of Israel continue in their fornication with Leviathan and the fiery serpent,

11.10 And I took back the grace I had extended to the people through Elijah's Spirit, by divorcing them from Adam, whom I had raised from the dead, and then I separated myself from them,

11.11 And my covenant of grace was broken in that day, but I said to the faithful of the flock who knew YKVK's Word because they were crucifying their carnal minds,

11.12 If the Tree of Life^R [King Adam] is judging [your sin nature], let Adam's widowed spirit, who is Elohim's Son, be loosed even though he's appearing as Satan right now,

^R Matt. 12:33(AT)

11.13 And YKVK said to me, cast Adam's widowed spirit out of the idolmaker's garment [Leviathan], in the people who highly esteem me, and I seized Leviathan in the members of Elohim's household,

11.14 And I cut off the rod [tongue] of [Satan], the diviner,^{R-1} who is my other self [lower nature], so that the imparted anointing could be liberated, which is the binding together of the grace of the old covenant, first to Judah and then to Israel, with the grace^{R-2} of the new covenant, which is with the Israel of God,

^{R-1}Rev.16:13 ^{R-2}Jn.1:16-17

11.15 And then YKVK said to me, seize the carnal minds of the company of unreformed men who are called to judge the world,^R

^RRev.9:1(AT)

11.16 And I shall raise up a governor over the Wild Animal, who shall not seek new converts, nor heal the bodies and minds which have been broken because of sin, neither shall he minister to those in whom Adam is raised from the dead, nor to those men in whom Adam is not raised, nor to those in whom Adam is raised, but are not living out of Him,

But He shall tear in pieces,

the carnal minds of those who have faithfully and persistently sought the Kingdom of God and Adam's righteousness, and He shall separate their human spirit from the fiery serpent and Satan, and reform him into Elohim's image.

11.17 Woe unto the carnally-minded ministers who have not resurrected Adam in [Elohim's] people,^R because the Spirit of Elijah shall wage war against Satan, their god, and Leviathan shall be completely overthrown, and the fiery serpent shall be cast down.^R
^RAmos 5:18a(AT)

ZECHARIAH, CHAPTER 13 [OLM - 07/19/00]

13.07 Let [The regenerated Adam, YKVK's] sword, awake because of Elohim's sons, and because of the men who have fellowship with me [through the Holy Spirit], says YKVK; and let [Elohim's] armies wound Leviathan's collective consciousness [and] disperse [the fiery serpents], the [spiritual] immigrants, [and The regenerated Adam, my] collective consciousness, will [dissolve Leviathan's collective consciousness, and] return Abel to his starting point.

ZECHARIAH, CHAPTER 14 [385.14]

14.04 And in that day, the resurrected Adam, shall break forth from the left side of the heart center of Elohim's sons, and he shall stand [in the energy centers] above, and abide contin-

ually over their physical brain [which is ruled by the animal mind] because of the Spirit of Elijah,²³⁶ and the [fiery serpent], the sun of [that] vehement, insolent valley [the visible, physical world], shall depart from the right side of their heart center, and [Ashtoreth (see, ¶, **Note # 186**)], the darkness [which is presently covering] their heart center, shall be lighted by the sun [of righteousness],^R because the resurrected Adam, [their righteous mind], shall be [higher than] the [energy centers that form] the physical brain.^R
^RMal. 4:2

14.04 [The sons of God, the fruit of the regenerated Adam], the Tree of Life [that] dwells [in the left side of the heart (4th) center, shall ascend] into the brow (6th) energy center of [The regenerated Adam] timeline, [and the sons of God] shall separate [the personalities] joined to [Leviathan], the fish in the midst of [Satan's] vehement sea, [that] divided [Adam, Elohim's] great mountain, [into] the northern and southern [kingdoms, and] the personalities [shall be] above [the Fiery Serpent because of their union with The regenerated Adam, and] the Fiery Serpent shall go back [under the authority of The regenerated Adam,

²³⁶ The Spirit of Elijah is the glorified Jesus Christ in the New Testament. (See, also, **Notes # 186, 187, 188, 189, 190, & 197.**)

and the personalities] shall dwell [in] the [holy] Jerusalem, [the spiritual city that extends into] YKVK's eternal realm.

ZEPHANIAH, CHAPTER 1 [270]

1.02 I, YKVK, am promising to heal the whole Wild Animal which is in outer darkness, by gathering her into a protective relationship with me, while Elijah crucifies Adam's widowed spirit, and liberates him from Satan.

1.03 And this is how I'm going to do it: I'll free Adam's widowed spirit from his bondage by sending Leviathan and Satan against everyone in Judah, who is dwelling in their flesh,

1.04 And against those who swear by YKVK with their mouths, but are really swearing by Satan, and obeying the armies of demons in their carnal minds,

1.05 And against those who have turned away from YKVK, and those who are not looking for Him, and those who have not loved Him enough to trample their carnal minds underfoot.

1.06 And it shall come to pass, in the day that Elijah rips the carnal mind out of everyone who overcomes [Satan], and offers [Leviathan] up to YKVK,

1.07 That Elijah shall appear in the mortal men he has purified, and rip out the carnal minds of the Sons of Israel, and everyone else in whom Abel is covered over by Leviathan.

1.08 So let your carnal

mind be silent when Abel shows you your sins, because the time when Adam shall defeat Leviathan is very near.

1.09 And I, YKVK, declare that in the day that I rip the carnal minds out of my first fruits, and send my purified ones to show their sins to my people who are in bondage to Leviathan, but deny their condition, my people shall cry out for help, and I shall strip the pastors who are abusing them of their authority, and the carnal minds of my people shall break up, and Adam shall rise from the dead in them also.

1.10 Therefore, let the harlot who is sitting on, and possessing, Adam's ox like a queen,^R perish, and let the carnal minds of those of Elohim's people who are believing into Elijah for salvation, be divided up.^R
^RRev.17:3-4

1.11 And this is what will happen at the appointed time: I shall examine the minds of my people to determine whether they are begotten of the Serpent or Elijah,

1.12 And I shall rip out the minds of the men that are born of Leviathan, which are saying, ***the Lord shall not judge the sins of His people.***

1.13 And when they fail to keep Abel alive, they will rebuild their dying personalities and physical bodies with Cain's wisdom, and [Leviathan] shall restore their spiritual life, and their imputed anointing shall be taken away from them, and Abel

shall die to his priesthood again.

1.14 The day in which Adam shall rise from the dead is very near and approaching with violent speed^R to aid YKVK's dying people; the rage of the tyrant's [Satan's] battle cry shall be fierce.

^RDeut.32:35(AT)

1.15 This day is the day that YKVK shall show His passionate love for mankind by expressing His anger against Leviathan, and it is a day of great distress for Satan, because Elijah is cutting into Leviathan, bringing sudden ruin to the dark prison^R of the carnal mind, which covers Abel over with the misery of the kingdom of darkness, flows through him, and scabs over him.

^RJob 14-15a(AT); Is 14:19; Zeph 2:9

1.16(a) This is the day that the truth about what happened to Adam shall prepare YKVK's people for the battle that will liberate Adam's widowed spirit from her illegal union with Satan and Leviathan.

1.17(a) And I shall bind Adam's widowed spirit to the Spirit of Elijah, and he shall [increase into Adam,

1.16(b) And they shall] sacrifice Leviathan up to YKVK,

1.17(b) And they shall die to their ignorant and miserable lifestyle, and their bestial [mental, emotional and physical] bodies shall be made waste.

1.18 Neither shall Cain's own devices nor [Satan's] spiritual power, be able to save them

in the day that YKVK's spiritual power destroys Leviathan and perfects everyone who is joined to their personality,^R because Adam passionately desires to marry His wife.

^R1Kings 19:7(AT)

ZEPHANIAH, CHAPTER 2 [272]

2.01 Face the truth you heathen nation, that Adam's widowed spirit, your true identity, is married to the Serpent.

2.02 Nevertheless, Abel's priestly authority is being restored because Adam is rising from the dead, and maturing into Elijah, the one who is to offer Leviathan up as a sacrifice to YKVK, so that the spirit of your mind can be reformed into YKVK's image. But the prophesy that the lake of fire [Kingdom of God] shall be formed in you hasn't been fulfilled, because Adam isn't judging your sins.

2.03 Therefore, look to YKVK to meet all of your needs, you in whom Abel is raised from the dead, but are still miserable and afflicted in your emotions, and He will give you Elijah's ministry of reconciliation; and you shall search out man's true motives, and extend the mercy of YKVK's judgments^R to the spiritual criminal, in the day that YKVK delivers His people from their bondage to Satan and Leviathan.

^RIs.11:3-4

2.05 Woe unto [the Serpent], the heathen who killed

Adam, and is appearing in the visible, physical world as a company of wandering men^{R-1} who are joined to their own flesh!^{R-2} The resurrected Adam is against you [Leviathan], you dead, mortal mind, and shall stop Satan, the Wild Animal's unconscious mind, from living through you, by drying up her sea.

^{R-1}Is.14:5(AT) ^{R-2}1Kings 19:7(AT);
^{R-3}Rev. 17:2(AT)

2.06 And the company of wandering men who are married to Satan and Leviathan shall use Elijah's spiritual military power to divorce themselves from her, and they shall marry him.

2.04 And Adam's widowed spirit shall divorce the Serpent who violently murdered Adam and carried away his living breath, and Elijah shall cut [Leviathan away from] Abel, and Adam's widowed spirit shall overcome Satan's spiritual power, and separate from her, and the Serpent shall be barren.

2.07 And the company of men who were wanderers, but are now married to Elijah, shall be a lifeline to the survivors of Judah's household, and YKVK and Elohim shall reverse their captivity, and all of the men who are migrating from the Wild Animal, into the Living Beast, shall be loosed from Leviathan, and marry Elijah, and they shall lie down in peace.

2.08 I have noticed that the Serpent has killed Adam, and woven his widowed spirit together with herself to form Leviathan, her carnal mind, in my

people,

2.09 Therefore, says YKVK, the living Word, to Israel, Elohim's soldiers, Leviathan shall be a prison house^{R-1} for Satan's hurtful spirit,^{R-2} and they shall exist inside of a dead Wild Animal^{R-3} until the end of the age,

^{R-1}Job 14-15a(AT); Is. 14:19(AT);
^{R-2}Gen. 3:16(AT); Rom. 6:17-18(AT);

^{R-3}Jonah 2:10

When Adam pulls Leviathan, their subconscious mind, to pieces,^{R-1} and the nations shall pull their carnal minds to pieces also, and Elijah shall boil Satan, their unconscious mind,^{R-2} until she turns into dead salt, and Elohim's Sons shall judge the nations,^{R-3} and they shall inherit perpetual life also.

^{R-1}Heb. 4:12

^{R-2}Dan. 7:9(AT); ^{R-3}Zeph. 3.3b(AT)
^{R-3}Dan. 7:25(AT)

2.10 And Adam's widowed spirit shall be fully joined to Elijah when the gentiles pull Leviathan apart [also], and they shall weave Adam's widowed spirit together with Elijah, like Elohim's Sons did.

2.11 And they shall respect YKVK when His righteous judgment separates Adam's widowed spirit from Satan and Leviathan, and YKVK shall be worshiped in His own house by all of the minds of the heathen.

2.12 And Elijah shall crucify Ham's descendants, and [Leviathan shall be] circumcised [in them] also.

2.13 And Elijah shall turn away Satan's authority, and Le-

viathan shall become paralyzed and silent, and this visible, physical world shall vanish.

2.14 And the whole flock of the nation of Wild Animals, both the unpurified and the defended, shall pass through the time period over which Satan and Leviathan rule, and the bowls [Sons] of Elohim's wrath, shall uncover the spiritual sexual parts of the preserved Wild Animal, and Elijah shall cover them, and Abel shall smear together with Elijah, and they shall preach out of their renewed minds, and they shall be delivered from this existence of physical and spiritual labor.

2.15 This is that insolent, dead, Wild Animal, who is existing in adultery [with Elohim's wife], without fear, whose carnal mind is saying, I am God, and there is no one as great as I. But look at how that dead, Wild Animal, which was turned into a desert by YKVK's judgments, has now become the Living Beast, which is YKVK's resting place! He shall call for them, and purify them, and the Wild Animal that they are existing in, shall be made alive.

ZEPHANIAH, CHAPTER 3 [305]

3.01 Woe to the Wild Animal which is unclean because of her rebellious mind.

3.02 She didn't obey YKVK's voice, or benefit from His instruction, because her carnal mind wasn't overthrown; and her carnal mind wasn't over-

thrown, because her [carnal mind] wasn't sacrificed to YKVK, and her carnal mind wasn't sacrificed to YKVK, because she wouldn't confess her sins and repent,

3.04a And her priests have violently torn away Adam's spirit and committed treason by prostituting him,^{R-1}

^{R-1}Pro. 26:11(AT); Job 41:5,13(AT);
Ecc.12:3(AT); Ez.32:2(AT);
Dan.8:6-7(AT); Joel 3:3(AT);
Rev. 17:1

3.03a And that's why Satan, the Wild Animal's unconscious mind, is like an army of fierce young soldiers executing the sowing and reaping judgment upon herself, because of the sins of her carnal mind,

3.04b But Leviathan shall be cut off because of Elijah's righteousness

3.03b When Satan is boiled, and [Adam's widowed spirit is]

3.07b Joined to [Elijah], her true husband, the only one who can preserve her alive [because He is the only one strong enough to make her confess her sins and repent.^R

^Rvs.7a

3.05a So, you see, YKVK incarnates Adam in the midst of His Living Beast from age to age, but the Serpent, who is presently possessing Adam's widowed spirit illegally, is the only one who forms Leviathan, the visible expression of the Serpent's deadly existence.

3.06 And that's why Leviathan lies in wait to murder Adam, so that the Serpent can live with my wife.

3.05b Nevertheless, the Serpent shall be ashamed when Leviathan is weeded out [of the garden] and [Adam is] returned to his proper place [as the mind of] the Living Beast, because I have promised the nations that I will destroy Leviathan and dry up the Serpent's power to pierce through Adam.

3.08a It is, therefore, my decision to heal their spiritual leprosy, and form them into my own image by breathing myself [Elohim] into them; so I'm casting Leviathan, their mortal minds, into the lake of fire [Spirit of Elijah], where Satan is, and they shall be completely broken apart and destroyed,

And after I burn up Leviathan, I'm sending you [Elijah] to gather whatever is left of them [Adam's widowed spirit] into one Body with yourself,^R through union with [their human spirit], so that Adam, the only one who is able to overcome the Satanic government of this visible, physical world, can rise from the dead.^RGen.7:5(AT)

3.07a And I, YKVK, said [to Elohim], surely when I bring this [merciful] judgment upon their [carnal] minds, they will confess their sins and repent, so that Adam's widowed spirit can separate from Satan, [join with Elijah, and increase into Adam].

So Elijah said to them [mortal man], confess your sins and repent, so that Adam can rise from the dead and enable you to pass over into the Kingdom of Heaven. But [despite these great

and precious promises] they earnestly continued to act out the Serpent's wicked deeds.

3.09 Therefore, at that time I will overthrow Satan and Leviathan, the mortal mind of the tribes of Israel, and purify [Adam's widowed spirit], and bring them into submission to Adam's single Mind, so that all of humanity can be in YKVK's image,

3.11a And, in that day, when it is revealed that Cain turned away from YKVK to act out the Serpent's lusts, they shall be disgraced, but I shall cause Leviathan to depart from them,

3.13a And the Spirit of Elijah shall subdue Satan, that wicked one, and subject her to his authority,

3.12 And after that, when only powerless, but compliant, Cain remains, she shall seek protection [from the Spirit of Elijah],

3.10a My bloodless sacrifice, and he shall purify [Elohim's Sons],

3.13b And the Spirit of Elijah shall mature Cain and Abel, and Cain shall respect Abel;

3.10b And Adam shall be born [again] in their generation because [Elijah's] righteous spiritual power is stronger than the witchcraft [that cast down] Ham (see, **Note # 149**),

3.13c And the Adam shall free his ox, and govern her, and [the Spirit of Elijah] shall marry her, and [fully satisfy her], and she will be adulterous no more,

3.11b And [this is how] my

nation, Israel, shall be exalted again because of Elijah,

3.14a [Therefore] Let Israel shout victoriously over [Satan], his enemy, and let YKVK's Living Beast rejoice, and let [the fiery serpent] rejoice also,

3.16 Because, in that day, it shall be said to the Wild Animal, don't be afraid, and to Adam, don't stop [waging war against Satan and Leviathan],

3.17 Because Elijah, who is YKVK in the midst of you, shall save his beloved Wild Animal by engraving YKVK's nature upon her, and Adam shall rise [from the dead] with a joyful shout, and they [Elohim's Sons] shall leap over [the wall]²³⁷ by the Spirit of Elijah,

3.15(a) And Adam's widowed spirit won't be subjected to Leviathan any more, neither shall they experience Satan's emotions, or sickness or disease, in their bodies any more, [which are the fruit of her] wicked deeds, because YKVK has caused Satan to depart from them, and brought Cain to repentance,

3.14b And completed Abel.

3.19a Surely [then] at the appointed time I shall strengthen my wife, who has been leaning on her earthen side since she was seduced and marked with the Serpent's nature, and draw her back into the Kingdom of Heaven by nailing [crucifying] her [human spirit] to Elijah,

3.18a And Adam shall rise from the dead within her carnal mind,

3.19b Which is holding my wife captive, and I shall gather her together with Elijah, and they shall enter into the Kingdom of Heaven [rebirth];

3.18b And Elijah shall go beyond this abominable age, which the Serpent formed, and Satan is ruling over, and he shall offer Leviathan as a sacrifice to YKVK, and mark the Wild Animal with YKVK's nature, and this is how I shall cause my wife's many members, to stand up [be born again] in[to] the visible, spiritual world.

3.20b And at the time that your visible appearance reveals that I have joined you to Elijah, and made you alive again, the whole human race shall have my sinless nature.

3.20a And at the specific time that I purify my wife through judgment, I shall marry her.

A BRIEF HISTORY OF THE ALTERNATE TRANSLATION BIBLE

Lexicon, the Greek word for *dictionary*, is used to describe most Hebrew/English and Greek/English dictionaries which have been compiled for the specific purpose of studying the Scriptures. Hebrew/English and Greek/English dictionaries offer many definitions for each word listed, just like English language dictionaries do.

The **ALTERNATE TRANSLATION BIBLE** is an **ORIGINAL TRANSLATION OF THE HEBREW AND GREEK SCRIPTURE** in which the translator has selected different definitions than most other translators [translator's license], for many Hebrew and Greek words. *Translator's License* means that the translator chooses the English translation for a Hebrew or Greek word each time it appears. A *usage search* for many Hebrew and Greek words reveals that the translators of the **KING JAMES BIBLE** frequently selected a variety of English translations for the same Hebrew or Greek word.

The **ALTERNATE TRANSLATION BIBLE** is an **AMPLIFIED TRANSLATION OF THE HEBREW AND GREEK SCRIPTURE**. *Amplification* means that more than one English word is used to translate a single Hebrew or Greek word. *Amplification* also means that *whole ideas* which are suggested, but not stated, in the Hebrew or Greek text are added to the English translation. For example, if you read that Jesus was arrested, crucified and became the Savior of all mankind, you would probably know that, before Jesus became the Savior of all mankind, He was raised from the dead and ascended back up into heaven. The Scripture, especially prophesy, frequently omits one or more steps which lead up to the event spoken about. *Amplification* may include unstated words and ideas, or accounts of undescribed events, in the English translation.

Amplified words are not translations of any specific Hebrew or Greek word, but are English words added by the translators for clarity. The **KING JAMES BIBLE** identifies *amplified words* with italicized print. The **AMPLIFIED BIBLE** (Zondervan Publishers, Grand Rapids, Michigan) identifies *amplified words* with brackets. The **ALTERNATE TRANSLATION BIBLE** identifies *unstated ideas, principles or events* with brackets, but most *amplified words* have been incorporated into the text of the translation.

The **ALTERNATE TRANSLATION BIBLE** is a **PARAPHRASED TRANSLATION OF THE HEBREW AND GREEK SCRIPTURE**. *Paraphrase* means, to restate text or a passage of text in another form or, in other words, to clarify meaning, or as a studying or teaching device (Webster's Encyclopedic Unabridged Dictionary Of The English Language).

The **ALTERNATE TRANSLATION BIBLE** is an **ORIGINAL TRANSLATION OF THE HEBREW AND GREEK SCRIPTURE** which sounds very different than any other translation you have ever read.

The **ALTERNATE TRANSLATION BIBLE** reflects the translator's choice of definitions, amplification and paraphraseology which has resulted from long periods of prayer, study and meditation in the Scripture, and years of deep spiritual communion with Christ Jesus. The translator believes that Jesus Christ [The Spirit of Elijah and the Resurrected Adam] is the only begotten Son of God, and that the man, Christ Jesus, is the only mediator between man and God.
